

New/Enhanced Benefit Descriptions for 2019

UltimateAdvisor

Elder Law

Initial advice for an insured on the impact of parent's/grandparent's personal legal matter on the insured.

- Legal services for an insured for the preparation and review of a deed where the insured is the grantee.
- Legal services for an insured for the preparation and review of a promissory note where the insured is the payee.
- Legal services for an insured for the review of parent's/grandparent's personal legal documents, including estate planning documents where the insured has been named as an agent or executor/personal representative.

Habeas Corpus

Legal services for you in habeas corpus proceedings.

Restraining Orders

Legal services for the named insured to obtain a restraining order. Legal services for an insured to obtain a restraining order when the opposing party is not an insured under the same Certificate.

Restraining Orders

Legal services for an insured to obtain a restraining order when the opposing party is not an insured under the same Certificate.

Mental Incompetency

Legal services for you in defense of mental incompetency or infirmity proceedings.

Minor Traffic

Legal services for you in the defense of a traffic offense, the conviction of which would not result in the suspension or revocation of your driving privileges. (Does not include driving while impaired or under the influence of drugs or alcohol or any non-moving offense.)
