Certificate Form No: GCERT10-CI
(Referred to herein as the “Certificate”)**

CRITICAL ILLNESS INSURANCE OUTLINE OF COVERAGE

Critical Illness Insurance coverage is provided under a Group Policy that has been issued to Your Employer. One certificate is issued to each employee who is covered under the Group Policy. The Group Policy is a **LIMITED POLICY**. An employee applying for coverage under the Group Policy is referred to herein as “you” or “your”.

The certificate provides critical illness coverage ONLY. It does not provide Medicare Supplement Coverage. Subject to the provisions of the certificate, including limitations, exclusions and submission of proof of a covered condition, the certificate provides limited benefits in the event that a covered person is Diagnosed with certain specified diseases, or has certain surgical procedures performed. It is also important to note that the receipt of benefits under a certificate may affect eligibility for Medicaid or other governmental benefits and entitlements. Accordingly, persons who wish to maintain eligibility for such benefits should not purchase the coverage made available under the Group Policy without consulting a legal advisor.

- 1) **READ YOUR CERTIFICATE CAREFULLY** – This outline of coverage provides a very brief description of the important features of the group insurance coverage provided by the Group Policy and certificate. This is not the insurance contract and only the actual provisions of the Group Policy and certificate under which you have coverage will control. Each certificate sets forth in detail the rights and obligations of both you and MetLife under the certificate. It is, therefore, important that you **READ YOUR CERTIFICATE CAREFULLY!**
- 2) **CRITICAL ILLNESS INSURANCE COVERAGE** – Policies of this category are designed to provide a lump sum payment if the covered person is Diagnosed with certain specified diseases for the first time after insurance takes effect under the Group Policy, or if you have certain specified surgeries for the first time after insurance takes effect under the Group Policy.
- 3) **MEDICAL COVERAGE** – The Policy does NOT provide any type of medical coverage and is not a substitute for medical coverage or disability insurance. You should have medical insurance in place when you apply for coverage under the Group Policy.

CRITICAL ILLNESS INSURANCE OUTLINE OF COVERAGE

Critical Illness Insurance coverage is provided under a Group Policy that has been issued to Your Employer. One certificate is issued to each employee who is covered under the Group Policy. The Group Policy is a **LIMITED POLICY**. An employee applying for coverage under the Group Policy is referred to herein as “you” or “your”.

It is also important to note that the receipt of benefits under a certificate may affect eligibility for Medicaid or other governmental benefits and entitlements. Accordingly, persons who wish to maintain eligibility for such benefits should not purchase the coverage made available under the Group Policy without consulting a legal advisor.

- 1) READ YOUR CERTIFICATE CAREFULLY** – This outline of coverage provides a very brief description of the important features of the group insurance coverage provided by the Group Policy and certificate. This is not the insurance contract and only the actual provisions of the Group Policy and certificate under which you have coverage will control. Each certificate sets forth in detail the rights and obligations of both you and MetLife under the certificate. It is, therefore, important that you **READ YOUR CERTIFICATE CAREFULLY!**
- 2) CRITICAL ILLNESS INSURANCE COVERAGE** – Policies of this category are designed to provide a lump sum payment if the covered person is Diagnosed with certain specified diseases for the first time after insurance takes effect under the Group Policy, or if you have certain specified surgeries for the first time after insurance takes effect under the Group Policy.

**POLICYHOLDER: Your Employer
Group Policy Form No: GPNP07-CI
(Referred to herein as the “Group Policy”)
Certificate Form No: GCERT10-CI
(Referred to herein as the “Certificate”)**

**CRITICAL ILLNESS COVERAGE ONLY
THIS CERTIFICATE PROVIDES LIMITED BENEFITS**

**BENEFITS PROVIDED ARE SUPPLEMENTAL AND ARE NOT INTENDED TO COVER ALL
MEDICAL EXPENSES
OUTLINE OF COVERAGE**

Critical Illness Insurance coverage is provided under a Group Policy that has been issued to Your Employer. One Certificate is issued to each employee who is covered under the Group Policy. The Group Policy is a **LIMITED POLICY**. An employee applying for coverage under the Group Policy is referred to herein as “you” or “your”.

The Certificate provides critical illness coverage ONLY. It does not provide Medicare Supplement Coverage. Subject to the provisions of the Certificate, including limitations, exclusions and submission of proof of a Covered Condition, the Certificate provides limited benefits in the event that a covered person is Diagnosed with certain specified diseases, or has certain surgical procedures performed. It is also important to note that the receipt of benefits under a Certificate may affect eligibility for Medicaid or other governmental benefits and entitlements. Accordingly, persons who wish to maintain eligibility for such benefits should not purchase the coverage made available under the Group Policy without consulting a legal advisor.

- 1) This coverage is designed only as a supplement to a comprehensive health insurance policy and should not be purchased unless you have this underlying coverage. Persons covered under Medicaid should not purchase it. Read the Buyer’s Guide to Specified Disease Insurance to review the possible limits on benefits in this type of coverage.
- 2) **READ YOUR CERTIFICATE CAREFULLY** – This outline of coverage provides a very brief description of the important features of the group insurance coverage provided by the Group Policy and Certificate. This is not the insurance contract and only the actual provisions of the Group Policy and Certificate under which you have coverage will control. Each Certificate sets forth in detail the rights and obligations of both you and MetLife under the Certificate. It is, therefore, important that you **READ YOUR CERTIFICATE CAREFULLY!**
- 3) **CRITICAL ILLNESS INSURANCE COVERAGE** – Policies of this category are designed to provide to persons insured, restricted coverage payment benefits ONLY when certain losses occur as a result

of critical illness. Coverage is not provided for basic hospital, basic medical-surgical, or major medical expense. Policies of this category are designed to provide a lump sum payment if the covered person is Diagnosed with certain specified diseases for the first time after insurance takes effect under the Group Policy, or if you have certain specified surgeries for the first time after insurance takes effect under the Group Policy.

- 4) MEDICAL COVERAGE** – The Policy does NOT provide any type of medical coverage and is not a substitute for medical coverage or disability insurance. You should have medical insurance in place when you apply for coverage under the Group Policy.

Certificate Form No: GCERT10-CI
(Referred to herein as the “Certificate”)**

CRITICAL ILLNESS INSURANCE OUTLINE OF COVERAGE

Critical Illness Insurance coverage is provided under a Group Policy that has been issued to Your Employer. One certificate is issued to each employee who is covered under the Group Policy. The Group Policy is a **LIMITED POLICY**. An employee applying for coverage under the Group Policy is referred to herein as “you” or “your”.

The certificate provides critical illness coverage ONLY. It does not provide Medicare Supplement Coverage. Subject to the provisions of the certificate, including limitations, exclusions and submission of proof of a covered condition, the certificate provides limited benefits in the event that a covered person is Diagnosed with certain specified diseases, or has certain surgical procedures performed. It is also important to note that the receipt of benefits under a certificate may affect eligibility for Medicaid or other governmental benefits and entitlements. Accordingly, persons who wish to maintain eligibility for such benefits should not purchase the coverage made available under the Group Policy without consulting a legal advisor.

- 1) READ YOUR CERTIFICATE CAREFULLY** – This outline of coverage provides a very brief description of the important features of the group insurance coverage provided by the Group Policy and certificate. This is not the insurance contract and only the actual provisions of the Group Policy and certificate under which you have coverage will control. Each certificate sets forth in detail the rights and obligations of both you and MetLife under the certificate. It is, therefore, important that you **READ YOUR CERTIFICATE CAREFULLY!**
- 2) CRITICAL ILLNESS INSURANCE COVERAGE** – Policies of this category are designed to provide a lump sum payment if the covered person is Diagnosed with certain specified diseases for the first time after insurance takes effect under the Group Policy, or if you have certain specified surgeries for the first time after insurance takes effect under the Group Policy.
- 3) MEDICAL COVERAGE** – The Policy does NOT provide any type of medical coverage and is not a substitute for medical coverage or disability insurance. You should have medical insurance in place when you apply for coverage under the Group Policy.

**METROPOLITAN LIFE INSURANCE COMPANY

**POLICYHOLDER: Your Employer
Group Policy Form No: GPNP07-CI
(Referred to herein as the "Group Policy")
Certificate Form No: GCERT10-CI
(Referred to herein as the "Certificate")**

CRITICAL ILLNESS INSURANCE OUTLINE OF COVERAGE

Critical Illness Insurance coverage is provided under a Group Policy that has been issued to Your Employer. One certificate is issued to each employee who is covered under the Group Policy. The Group Policy is a **LIMITED POLICY**. An employee applying for coverage under the Group Policy is referred to herein as "you" or "your".

The certificate provides critical illness coverage ONLY. It does not provide Medicare Supplement Coverage. Subject to the provisions of the certificate, including limitations, exclusions and submission of proof of a covered condition, the certificate provides limited benefits in the event that a covered person is Diagnosed with certain specified diseases, or has certain surgical procedures performed. It is also important to note that the receipt of benefits under a certificate may affect eligibility for Medicaid or other governmental benefits and entitlements. Accordingly, persons who wish to maintain eligibility for such benefits should not purchase the coverage made available under the Group Policy without consulting a legal advisor.

THIS IS NOT A POLICY OF WORKERS' COMPENSATION INSURANCE. THE EMPLOYER DOES NOT BECOME A SUBSCRIBER TO THE WORKERS' COMPENSATION SYSTEM BY PURCHASING THIS POLICY, AND IF THE EMPLOYER IS A NON-SUBSCRIBER, THE EMPLOYER LOSES THOSE BENEFITS WHICH WOULD OTHERWISE ACCRUE UNDER THE WORKERS' COMPENSATION LAWS. THE EMPLOYER MUST COMPLY WITH THE WORKERS' COMPENSATION LAW AS IT PERTAINS TO NON-SUBSCRIBERS AND THE REQUIRED NOTIFICATIONS THAT MUST BE FILED AND POSTED.

- 1) READ YOUR CERTIFICATE CAREFULLY** – This outline of coverage provides a very brief description of the important features of the group insurance coverage provided by the Group Policy and certificate. This is not the insurance contract and only the actual provisions of the Group Policy and certificate under which you have coverage will control. Each certificate sets forth in detail the rights and obligations of both you and MetLife under the certificate. It is, therefore, important that you **READ YOUR CERTIFICATE CAREFULLY!**
- 2) CRITICAL ILLNESS INSURANCE COVERAGE** – Policies of this category are designed to provide a lump sum payment if the covered person is Diagnosed with certain specified diseases for the first time after insurance takes effect under the Group Policy, or if you have certain specified surgeries for the first time after insurance takes effect under the Group Policy.

3) MEDICAL COVERAGE – The Policy does NOT provide any type of medical coverage and is not a substitute for medical coverage or disability insurance. You should have medical insurance in place when you apply for coverage under the Group Policy.

CANCER AND SPECIFIED DISEASES INSURANCE OUTLINE OF COVERAGE

NO RECOVERY FOR PRE-EXISTING DIAGNOSED CANCER – READ CAREFULLY. No benefits will be provided under the Certificate for cancer that is diagnosed before the 30th day after the effective date of the coverage.

IMPORTANT CANCELLATION INFORMATION: Please read Section 9 of this Outline of Coverage titled “When Insurance Ends” found on page 11.

Cancer and Specified Diseases Insurance coverage is provided under a Group Policy that has been issued to Your Employer. One certificate is issued to each employee who is covered under the Group Policy. The Group Policy is a **LIMITED POLICY**. An employee applying for coverage under the Group Policy is referred to herein as “you” or “your”.

THE CERTIFICATE IS NOT A MEDICARE SUPPLEMENT CERTIFICATE. If you are eligible for Medicare, review the Guide to Health Insurance for People with Medicare, which is available from MetLife. The certificate provides cancer and specified diseases coverage only. It does not provide Medicare Supplement Coverage. Subject to the provisions of the certificate, including limitations, exclusions and submission of proof of a covered condition, the certificate provides limited benefits in the event that a covered person is Diagnosed with certain specified diseases, or has certain surgical procedures performed. It is also important to note that the receipt of benefits under a certificate may affect eligibility for Medicaid or other governmental benefits and entitlements. Accordingly, persons who wish to maintain eligibility for such benefits should not purchase the coverage made available under the Group Policy without consulting a legal advisor.
