November 11 - 24, 2024

Benefits for the Road Ahead

Looking to the road ahead, in the ongoing transformation of our company, we want to assure you that we are committed to continuing to offer you comprehensive and competitive benefits and resources for you and your family. With your 2025 benefits, you'll start to see some more choices and new resources as we bring our benefit offerings together with those of Owens Corning.

Read this mailer to learn about enhancements and changes for 2025. Then make sure to enroll by November 24, 2024.

What's New and Changing for 2025

WHEN COVERAGE BEGINS AND ENDS

Starting in January, benefits coverage is effective on your first day of employment or first day of becoming benefits eligible (instead of the first of the month following your hire date). And benefits coverage will end on your last day of employment.

AETNA RESOURCES FOR LIVING EMPLOYEE ASSISTANCE PROGRAM (EAP)

Get help balancing life and navigating life's challenges through Aetna Resources for Living EAP. You and your immediate family have free access to this 24/7 confidential program. You'll **get up to 8 free phone or face-to-face behavioral counseling visits** per issue per year (up from 5 visits). It can also help you find services and answer your questions regarding health care, legal issues, mental health, substance abuse and more.

Starting January 1, call **1.800.351.7669**, go to resourcesforliving.com (user ID: OC, password: EAP), or use the Resources for Living mobile app to take advantage of Aetna Resources for Living.

INCREASE IN SPOUSAL SURCHARGE

If your spouse/domestic partner has group medical insurance available elsewhere but you choose to enroll them in the Masonite medical plan, in 2025 you will **pay an additional \$100 each paycheck** (an increase from \$50). You will not be charged the fee if your spouse/domestic partner does not have group medical insurance available to them. If so, you will receive a spousal surcharge form to confirm eligibility.

INVESTMENT IN THE 401(k) AND YOUR FINANCIAL WELL-BEING

In 2025, your 401(k) plan will move to the Owens Corning 401(k) plan. This plan offers a 100% match up to 6%. Look for details about this change after the first of the year.

NEW HELP FOR QUITTING TOBACCO USE

If you're ready to quit using tobacco, **the free Anthem Tobacco Free** program can help you do it. You will:

- Have access to the LiveHealth Online Tobacco Free Program, which combines the latest in telehealth technology and behavioral science to help you quit nicotine.
- Work with a health coach who can create a personalized plan to help you reach your tobacco-free goals.
- Receive nicotine replacement therapy such as gum, lozenges and patches directly to your home at no cost.

You, your spouse and dependents age 18 and older enrolled in a company medical plan can participate. Learn more and get started at livehealthonline.com/masonite or call **1.888.LIVEHEALTH** (1.888.548.3432) > option 5.

TOBACCO USER SURCHARGE

If you are enrolled in the medical plan and use tobacco, you will **pay a tobacco surcharge of \$30 each paycheck** instead of paying a tobacco rate for medical coverage.

- *If you complete the program between January 1 and June 15, 2025, your surcharge will be removed effective July 1, 2025.*
