BENEFITS FOR THE ROAD AHEAD

Welcome to Masonite, now proudly part of Owens Corning. We believe our people and products make the world a better place and we're excited you're a part of the ongoing transformation of our company.

As we worked to integrate the Doors business into Owens Corning, we took the opportunity to review our benefit offerings. I am pleased to share that several of our benefits were enhanced due to this review.

I encourage you to **review this 2025 Benefits Guide** and our benefits website masonitebenefits.com. The company continues to provide an affordable, inclusive and equitable total benefits package that supports your mental, physical and financial well-being.

Your safety and health are our top priority at Owens Corning. Please take the time to **review your benefits and enroll in the best options** for you and your family.

If you have questions about your benefits or how to enroll in Talent Center Benefits, send an email to benefits@owenscorning.com or contact your local Human Resources Representative.

Be well,

Cynthia Benson

Vice President, Global Total Rewards

YOUR ENROLLMENT TO-DOs

BEFORE YOU ENROLL

- **Read this guide** to learn about all the benefits available to you from Masonite.
- **Check out the tools and resources** on masonitebenefits.com to help you decide.

ENROLL

- **During your enrollment window:**

- **If you're connected to the Owens Corning network:**

- Go to Talent Center
- Click on the Benefits tile
- Enroll

- **If you're connecting outside of the Owens Corning network:**

- Go to talentcenter.owenscorning.com from any computer or device with an Internet connection.
 - If you're new to the process, complete the verification step.
 - If you cannot access the Talent Center, contact the IT Service Desk at **1.877.650.9581**.

OR

- Download the **BenefitsPlace app**. Enter the company code "owenscorning" and select "SSO Login."

- **Choose your options:**

| — Medical | — Flexible spending accounts | — Accident insurance |
| — Health Savings Account | — ID theft protection | — Hospital indemnity insurance |
| — Dental | — Life insurance | |
| — Vision | — Critical illness insurance | |

- **Declare your tobacco user status.** If you are enrolled in the medical plan and use tobacco, you will pay a tobacco surcharge of \$32.50 per pay period.
- **Answer the spousal surcharge question.** If your spouse/domestic partner has group medical insurance available elsewhere but you choose to enroll them in the Masonite medical plan, you pay an additional \$110 each pay period. (This does not apply to dependent children.)

You will not be charged the fee if your spouse/domestic partner does not have group medical insurance available to them elsewhere. If so, you will receive a spousal surcharge form to confirm eligibility.

- **Choose or review your beneficiary.** To make sure your benefits are paid out how you intend, make sure to choose or review your beneficiary for your life insurance and 401(k) plan.
- **Confirm your elections.** You can save or print your confirmation of elections in Talent Center Benefits. The elections you make when you enroll remain in place until the next enrollment period, unless you have a qualified life event.

AFTER YOU ENROLL

- **Provide verification of dependent eligibility:** if you add new dependents to your Masonite benefits, you must provide documentation to verify their eligibility. This verification includes a marriage certificate for a spouse, a Domestic Partner Affidavit for a domestic partner, or birth certificate or court documents showing legal guardianship for children. You can upload these documents to Talent Center Benefits.
- **Look for new ID cards.** If you enroll in a Masonite medical plan for 2025 for the first time or change medical plans, look for new medical and prescription drug ID cards in the mail. If you enroll in or continue dental coverage, watch for a new dental ID card — with a new plan number — in the mail.

IMPORTANT INFORMATION ABOUT ENROLLMENT

WHO'S ELIGIBLE?

You can participate in Masonite benefits if you are a regular full-time employee and you work a minimum of 30 hours per week.

You can also enroll:

- Your spouse or qualified domestic partner*
- Your children or domestic partner's children up to age 26 (coverage will end on the last day of the month in which they turn 26)
- Mentally or physically disabled dependent child(ren) regardless of age

** The portion of premium you pay to cover your domestic partner will be taken as an after-tax deduction.*

WHEN CAN I ENROLL?

You can enroll or make changes to your benefit elections:

- **When you are first hired:** You have 30 days starting on your hire date to enroll for benefits. Your benefits start on the first day of employment or the first day of becoming benefits eligible. If you do not enroll within your first 30 days of employment, you must wait until Annual Enrollment to elect benefits unless you experience a qualified life event.
- **During Annual Enrollment each fall.**
- **Within 30 days when you experience a qualified life event** such as marriage, divorce, birth or adoption, or a change in your or your spouse's employment status that affects benefits eligibility.

MAKING CHANGES DURING THE YEAR

The benefit coverage you elect remains in effect for the entire calendar year. You can only change your benefits during the year if you have a qualified life event such as marriage, divorce, birth or adoption, or a change in your or your spouse's employment status that affects benefits eligibility.

You must notify Masonite Benefits through Talent Center Benefits within 30 days of any qualified life event. You will be required to show official documentation as proof, such as a marriage license, birth certificate or court papers.

MEDICAL

A healthy lifestyle is easier when you have access to plans and programs that support you. You can choose from three medical plans. All cover the same services, all include the same prescription drug benefits and all use the same Anthem network. What differs is how and when you pay for care.

CHOOSING YOUR MEDICAL PLAN

When choosing a medical plan, be sure to look at your total costs:

$$\text{Your Premium} + \text{Deductible} + \text{Copayments/Coinsurance}^* = \text{TOTAL COST}$$

Your **deductible** is the amount you pay toward covered services each year before the plan begins paying benefits. Your **copayment** is a flat fee you pay for health care services at the time they're received regardless of the actual amount charged by your provider; it generally applies to office visits and prescription drugs. **Coinsurance** is the portion of covered expenses you pay for care after meeting your deductible, and it is typically a percentage of negotiated costs.

** Up to your out-of-pocket maximum, which is the most you have to pay each year for health care services. It includes the deductible and copays/coinsurance for medical and prescription drugs, but not premiums.*

In the HSA Plans...

- You pay less each paycheck but you pay a higher deductible.
- **Masonite contributes to a health savings account (HSA) for you** — and you can contribute too, up to IRS limits. You can use your HSA during the year to pay for eligible expenses (such as deductibles, coinsurance, prescriptions, and dental and vision costs), or you can save it for future eligible expenses, even if you change plans or jobs or retire.
- You can participate in the Limited-Purpose Health Care Flexible Spending Account (FSA), which allows you to use your FSA for eligible dental expenses (such as coinsurance and orthodontics) and vision expenses (such as eyeglasses and contact lenses) with pre-tax dollars.

In the PPO Plan...

- You pay more each paycheck, but you pay a lower deductible before the plan starts to pay benefits. This helps you budget expenses over the year.
- You can contribute to a Health Care FSA to pay for eligible expenses with pre-tax dollars.

PRESCRIPTION DRUG COVERAGE

All medical plans come with prescription drug coverage through OptumRx. OptumRx coverage includes programs to encourage the use of cost-effective medications while saving you money, such as:

- **Free maintenance drugs** if you participate in the Basic HSA or HSA Plus Plan. Certain drugs are available to you with no deductible and no coinsurance. Contact OptumRx for details.
- **Savings on long-term/maintenance medications.** Use mail order or visit a CVS pharmacy for 90-day fills of your maintenance prescriptions. IMPORTANT: The plan does not cover more than two 30-day fills of certain maintenance prescriptions at other participating retail pharmacies.
- **Free smoking cessation medications and specific diabetes medications and supplies.** Contact OptumRx for more information before filling your prescription.
- **Certain diabetic or weight loss drugs** require preauthorization.

GET TOBACCO FREE

If you're ready to quit using tobacco, the **free** Anthem Live Health Online Tobacco Free Program can help you do it. Work with a health coach and receive nicotine replacement therapy such as gum, lozenges and patches directly to your home at no cost.

Once you've completed the program, contact the Benefits Service Center at benefits@owenscorning.com to confirm completion and to have the tobacco surcharge removed:

- *If you complete the program between January 1 and June 15, 2025, your surcharge will be removed effective July 1, 2025.*
- *If you complete the program between July 1 and December 15, 2025, the surcharge will be removed effective January 1, 2026.*

ANTHEM'S CANCER CARE ENGAGEMENT PROGRAM

Get support from Anthem's Cancer Care Engagement Program if you or a family member enrolled in a Masonite medical plan is diagnosed with cancer. Program features include:

- Physician guidance 24/7 and a dedicated nurse and medical director
- A virtual second opinion from a board-certified oncologist
- On-demand, clinical medical exams through telehealth
- Opportunities for clinical trial participation
- Access to Centers of Excellence, including benefits for travel

HEALTH SAVINGS ACCOUNT

A Health Savings Account (HSA) works with a high deductible health plan, such as the Basic HSA and HSA Plus medical plans offered by Masonite. It's a tax-favored account you can use to offset eligible out-of-pocket health care expenses, including your deductible, and save money on taxes.

FREE MONEY! MASONITE CONTRIBUTES TO YOUR HSA

When you enroll in the Basic HSA or the HSA Plus medical plan, Masonite puts money in an HSA for you during the first week of January.

2025 HSA contribution limits

PLAN OPTION	WHO IS COVERED	ANNUAL MASONITE CONTRIBUTION ¹	+	YOUR MAXIMUM CONTRIBUTION ²	=	2025 IRS LIMIT
Basic HSA Plan	Employee only	\$400	+	\$3,900	=	\$4,300
	Family	\$800	+	\$7,750	=	\$8,550
HSA Plus Plan	Employee only	\$650	+	\$3,650	=	\$4,300
	Family	\$1,300	+	\$7,250	=	\$8,550

1. If you are enrolled in Medicare, you are not eligible to receive the company contribution or make your own contributions to an HSA.

2. If you turn age 55 by December 31, 2025, you can contribute an additional \$1,000 catch-up contribution.

WHY AN HSA?

■ Get triple tax savings:

1. Contributions are tax-free: both Masonite's and yours.
2. Money grows tax-free with interest.
3. Withdrawals are tax-free for eligible expenses.

■ Decide if you want to contribute:

You can start, change or stop your contributions anytime during the year.

■ Use now or save:

When you incur eligible expenses:

- You can use your HSA to **pay current eligible expenses**, including medical, prescription drug, dental and vision costs, certain over-the-counter (OTC) medications with or without a doctor's prescription and menstrual products.
- Or you can **save it for future health care expenses** — even in retirement.

■ The money in your HSA is always yours.

Because any unused money in your HSA rolls over from year to year, you can save the money in your HSA to use in the future, even if you leave the company or retire.

BUILD UP YOUR HSA

Use your HSA dollars for larger expenses and pay for smaller expenses out of your own pocket to help build up your account.

DENTAL

Don't forget your dental health. The dental plan through Delta Dental of Ohio is designed to help you maintain a healthy smile with **free regular preventive care**.

Your coverage is the same whether you use in- or out-of-network providers, but you will generally pay less when you use Delta Dental in-network dentists because they've agreed to provide care at a lower cost.

If you use an out-of-network dentist, you'll be reimbursed based on the reasonable & customary fees in your area rather than receiving the special rates in-network dentists have agreed to charge. Your provider may also charge you the difference between their charges and the amount the insurance paid.

YOUR DENTAL COVERAGE

COVERAGE*	DENTAL A	DENTAL B
	You Pay In- and Out-of-Network	
Preventive and diagnostic care Routine exams, cleanings, fluoride treatments, sealants, x-rays	\$0	\$0
Annual per person maximum benefit	\$2,000	\$500
Annual deductible - Employee only - Employee + dependents	\$70 \$210	\$70 \$210
Basic care Extractions, fillings, root canals, oral surgery, gum disease treatment	20% after deductible	50% after deductible
Major care Crowns, bridges, dentures	20% after deductible	50% after deductible
Orthodontia For children and adults	50% after deductible	No coverage
Orthodontia lifetime maximum benefit	\$2,000	NA

* Limitations or waiting periods may apply for some benefits, and some services may be excluded from the plan.

Reimbursement is based on Delta Dental maximum contract allowances and not necessarily each dentist's submitted fees. Reimbursement is also based on PPO contracted fees for PPO dentists, Delta Dental Premier® contracted fees for Premier dentists and Premier contracted fees for non-Delta Dental dentists.

VISION

Focus on your eye health with vision insurance through VSP and receive periodic eye exams, eyeglasses and contact lenses.

YOUR VISION COVERAGE

COVERAGE	BASE PLAN		BUY-UP PLAN	
	In-Network	Out-of-Network	In-Network	Out-of-Network
Eye exams Every calendar year	\$10 copay	Up to \$45 allowance	\$0	Up to \$45 allowance
Frames Every calendar year	Up to \$175 allowance	Up to \$70 allowance	Up to \$200 allowance	Up to \$70 allowance
■ Single vision	\$10 copay	Up to \$30 allowance	\$0	Up to \$30 allowance
■ Bifocal	\$10 copay	Up to \$50 allowance	\$0	Up to \$50 allowance
■ Trifocal	\$10 copay	Up to \$65 allowance	\$0	Up to \$65 allowance
■ Progressive	\$95 - \$175 depending on lens enhancement	Up to \$50 allowance	\$95 - \$175 depending on lens enhancement	Up to \$50 allowance
Contact lenses	Up to \$175 allowance	Up to \$105 allowance	Up to \$200 allowance	Up to \$105 allowance

FLEXIBLE SPENDING ACCOUNTS

Flexible spending accounts (FSAs) are a smart way to save on eligible health care and/or dependent day care expenses. That's because you set aside money from your pay before taxes are taken out. When you use that money to pay for eligible expenses, you pay less because you're using pre-tax dollars.

You must enroll in the FSAs each year to participate. Estimate your expenses carefully before making your FSA elections because you lose any money not used to reimburse eligible expenses incurred through the end of the year. You have 90 days from the end of the year to request reimbursement for eligible expenses.

Here's how the FSAs work:

	HEALTH CARE FSA	DEPENDENT CARE FSA (for daycare)
Annual contribution limit	\$3,300	\$5,000 (or \$2,500 if married and filing separate tax returns)
Use your account for...	<p>If you are in the PPO Plan: Eligible out-of-pocket health care expenses, including your deductible, coinsurance and other medical, dental and vision expenses for you and your dependents.</p> <p>Limited-Purpose Health Care FSA if you are in the Basic HSA or HSA Plus Plan: Certain eligible out-of-pocket expenses, such as dental and vision care.</p>	Eligible out-of-pocket dependent care expenses, including those for day care and nanny services (for children under age 13), and elder care. The expenses must be incurred to enable you (and your spouse/domestic partner) to work. You cannot use your Dependent Care FSA to pay for medical expenses.
You can be reimbursed from your FSA...	Your full annual contribution amount anytime during the year.	Only up to the amount in your account at any point during the year.
Find details and eligible expenses...	IRS Publication 502 at irs.gov or call 1.800.TAX.FORM (1.800.829.3676).	IRS Publication 503 at irs.gov or call 1.800.TAX.FORM (1.800.829.3676).

FILING FSA CLAIMS

File your claim with Inspira Financial at inspirafinancial.com or call **1.888.678.8242**.

LIFE INSURANCE

Rest easy knowing Masonite will provide for you and your family in the event of your death. Masonite provides basic life coverage of \$50,000 through MetLife.

For additional protection for yourself and your family, you can purchase supplemental and dependent life insurance. **NOTE:** You can only enroll your eligible dependents if you elect and are approved for employee supplemental coverage.

COVERAGE	BENEFIT AMOUNT
Basic life (company-paid)	\$50,000
Employee supplemental life	1x to 10x salary to a maximum of \$2,250,000
Spouse life	Increments of \$10,000 to the lesser of \$250,000 or 100% of employee supplemental life insurance amount
Infant/child life	\$10,000

CHOOSE YOUR BENEFICIARY

Go to metlife.com/mybenefits and choose a beneficiary for your basic and supplemental life insurance to make sure your benefit is paid out as you intend. Otherwise, MetLife determines how your benefit is paid out.

EVIDENCE OF INSURABILITY (EOI)

You must show proof of good health:

- If you elect supplemental life coverage above the lesser of 2x salary or \$200,000.
- If you decline supplemental life insurance and decide to enroll later due to a qualified life event or future Annual Enrollment.
- For your spouse, if you elect supplemental coverage for him or her greater than \$50,000.

You will be required to complete and submit an EOI form to MetLife. Coverage amounts above the guaranteed amount will not take effect until MetLife evaluates and approves your requested coverage. You do not have to show proof of good health for child coverage.

DISABILITY

Masonite looks after you if you are disabled and can't work. We provide you with short-term disability (STD) and long-term disability (LTD) coverage through MetLife to make sure you receive some income during a period of disability.

Your doctor will be required to submit medical documentation to certify your disability. Then both your doctor and MetLife will determine how long you should be out of work based on your condition.

You may have to satisfy an elimination period before your benefits begin (see your local HR office). If available, you can use other paid time off days while you wait.

PLAN	BENEFIT AMOUNT**
Short-term disability*	80% of your weekly earnings for weeks 1 – 2
	70% of your weekly earnings for weeks 3 – 8
	60% of your weekly earnings for weeks 9 – 26
Long-term disability	60% of your monthly income to a maximum of \$20,000 per month

* If you are disabled before or after your post-delivery leave (see Paid Parental Leave section), you may be eligible for short-term disability (STD) benefits.

** Income you receive from Worker's Compensation, Social Security or other legally mandated programs may reduce your benefit amount.

WHAT IS A DISABILITY?

A disability is caused by a sickness or injury (other than a work-related injury) and also includes coverage for maternity leave.

EMPLOYEE ASSISTANCE PROGRAM (EAP)

To help you keep your life balanced, Masonite provides you and your immediate family free access to the Aetna Resources for Living EAP. This confidential program can help you find services and answer your questions regarding health care, legal issues, mental health, substance abuse and more.

Aetna Resources for Living includes:

- All day, everyday phone access for consultation or crisis intervention
- Up to eight free phone or face-to-face behavioral counseling visits per issue per year
- Child care, elder care, pet care consultation and referral
- Family crisis support services

ADDITIONAL BENEFITS FOR YOUR HEALTH, MONEY AND BALANCE

CRITICAL ILLNESS INSURANCE

Critical illness coverage through Allstate pays lump-sum benefits directly to you at the time a covered illness is diagnosed. Covered illnesses include heart attack, stroke, cancer, heart transplant and other threatening conditions as defined in the certificate. You can also receive a **\$50 annual wellness benefit for completing specific health activities**.

ACCIDENT INSURANCE

Accident insurance through Allstate enhances your existing medical coverage with lump-sum benefits for on- and off-the-job accidents. This plan pays for hospital, intensive care and other medical expenses for dislocations, fractures, loss of limbs and death as a result of an accident.

HOSPITAL INDEMNITY INSURANCE

Hospital indemnity insurance through Allstate pays predetermined amounts for covered hospital, nursing, transportation and physician services.

ID THEFT PROTECTION

With the **Allstate Identity Protection program**, Allstate will monitor the following to help protect your identity against theft:

- Internet dark web
- Financial transactions
- Lost wallet protection
- Data breach notifications
- Alerts for minors sent to parents
- Social network monitoring

Plus additional benefits such as social media account takeover, new IP address monitoring and stolen fund reimbursement.

You can purchase coverage for yourself only, or you can purchase additional coverage to include your spouse or child.

PAID PARENTAL LEAVE

Masonite wants to support you and your growing family. To help you spend time with your newest family member, Masonite provides paid parental leave for new parents. This leave has two components: post-delivery leave if you're the birth mother **plus** bonding time off.

- **Post-delivery leave:** Birth mothers receive a post-delivery leave of 100% of pay immediately following the birth of a child for 8 weeks. You are eligible for this leave on the first of the month on or after your date of hire.
- **Bonding time off:** Gives 100% of pay for 4 weeks to a mom, dad or legal caregiver who adds a new child to the family through birth, adoption or foster care, and can be used in 1-week increments. Your bonding time off must be used within 6 months of the birth of the baby or adoption/foster care. You are eligible for bonding time off after 6 months of service with Masonite.

See your local Human Resources Representative for details and how to apply for paid parental leave.

ADOPTION ASSISTANCE

If you're considering adoption, Masonite offers financial assistance to help you. Masonite reimburses you up to \$7,500 for incurred adoption fees and expenses. You are eligible for adoption assistance after 1 year of employment. Visit masonitebenefits.com for more information.

TIME AWAY FROM WORK

VACATION

Owens Corning recognizes that to do your job well, you occasionally need time away from work to refresh and renew. That's why we offer you vacation time: so you have time off for vacation, sick time or personal matters.

The number of days of vacation you receive is determined by your professional tenure. In general, your professional tenure represents the length of time, whether with Owens Corning or prior employers, that you have accumulated in your career.

HOLIDAYS

Owens Corning closes its US facilities to observe nine holidays:

- New Year's Day
- Martin Luther King Jr. Day
- Memorial Day
- Independence Day
- Labor Day
- Thanksgiving Day
- Day After Thanksgiving
- Christmas Day
- Day After Christmas

You also receive two floating holidays.

Please see your local Human Resources Representative for more information.

MASONITE 401(K) SAVINGS PLAN

The Masonite 401(k) Savings Plan can help you on your way to financial security at retirement. You can contribute to your Fidelity account in a number of different ways:

- **Pre-tax contributions:** You can contribute up to 50% of your eligible compensation on a pre-tax basis, subject to IRS limits.
- **After-tax Roth contributions:** You can contribute after taxes are taken out — so both the earnings and contributions are tax-free on distribution. Regular 401(k) Roth contributions give you a tax break down the road.
- **After-tax contributions:** So you can save more, contribute up to 5% of your eligible compensation on an after-tax basis, subject to an annual additions limit (which is the total dollar amount that you and Owens Corning may contribute to your 401(k) each year).
- **In-plan Roth rollovers:** Convert all or part of your eligible balances to Roth savings while leaving money in your account. You will pay taxes on money that was not previously taxed, including earnings, in the year the funds were converted. You can elect for future after-tax contributions to automatically roll over to Roth savings. When you retire, you will not pay taxes on the converted balances and any related earnings if certain criteria are met.
- **Catch-up contributions:** As you get closer to retirement, the IRS allows you an extra boost. If you will be age 50 or older during the year, you can make an annual catch-up contribution.
- **Owens Corning contributes, too!** To help increase your retirement savings:
 - Owens Corning matches your contributions 100% up to 5% of your eligible pay. This applies to your pre-tax 401(k), catch-up and after-tax Roth contributions.
 - You will also receive a 2% company direct contribution each pay period. This is provided even if you do not contribute.

All contributions are subject to IRS limits. Check masonitebenefits.com, irs.gov or with your local Human Resources Representative for the current limits.

You are always 100% vested — that is you own 100% of your plan account — in your own contributions, rollover contributions and company contributions.

GETTING STARTED

You can enroll in the Masonite 401(k) Savings Plan as of your hire date. Your contributions will begin as soon as possible, based on when you elect to contribute and your payroll cycle. Make sure to choose your beneficiary when you enroll.

To enroll: Go to netbenefits.com | Call **1.800.601.4015**.

401(k) automatic enrollment for new hires/re-hires

To encourage you to begin saving, if you do not actively enroll, you will be automatically enrolled in the 401(k) plan after one year of service. You will begin with pre-tax contributions equal to 3% of your eligible compensation that will be invested automatically in one of the plan's target date funds based on your date of birth, as determined by the plan, unless you make a different election or choose not to participate ("opt-out") by logging in to netbenefits.com or calling **1.800.601.4015**.

IMPORTANT LEGAL NOTICES

Important Plan Rules and Laws Affecting Your Coverage: There are some important rules you should be aware of that affect certain benefits you have. In addition, Annual Benefit Notices and Summary Annual Reports (SAR) are available on masonitebenefits.com or from your local Human Resources Representative.

HIPAA

Masonite is compliant with the Health Insurance Portability and Accountability Act of 1996 (HIPAA). If requesting assistance for claims with any providers, you will be required to complete the Authorization to Release Information before assistance can be granted. All providers of health insurance already have Privacy Rulings in place and are required to provide all patients with their notices.

FAMILY AND MEDICAL LEAVE ACT

In addition to our Disability programs, you may also be eligible for time off under the Family and Medical Leave Act (FMLA). FMLA provides you with up to 12 weeks of unpaid, job-protected leave during any 12-month period because of your own serious health condition; to care for a spouse/domestic partner, child or parent who has a serious health condition; or to care for a newborn, adopted or newly placed foster child.

Employees with family members in the military have expanded leave rights under FMLA. These employees may take up to 26 weeks of leave during a single 12-month period to care for a spouse/domestic partner, son, daughter, parent or next of kin who has sustained a serious injury or illness in the line of active duty.

Eligible employees also may use the standard 12 weeks of FMLA leave (subject to certain conditions and time limits) to handle “qualifying exigencies” arising from a covered family member’s active duty or call to active duty in support of a Federal contingency operation as a member of the National Guard, Military Reserve, or a retired member of the Regular Armed Forces or Reserve. Please see your Employee Handbook for additional information about the FMLA.

WOMEN'S HEALTH AND CANCER RIGHTS ACT

The plan will not restrict benefits for employees or covered dependents if the covered person:

- Receives benefits for a mastectomy, and
- Elects breast reconstruction in connection with the mastectomy

Under federal law, employees and their covered dependents have the right as participants in a group health plan to receive coverage for the following services in connection with a mastectomy:

- Reconstruction of the breast on which the mastectomy has been performed
- Surgery and reconstruction of the other breast to produce a symmetrical appearance
- Prostheses and treatment for physical complications for all stages of a mastectomy, including lymphedemas (e.g., swelling associated with the removal of lymph nodes)

The plan must determine the manner of coverage in consultation with the attending physician and patient. Coverage for breast reconstruction and related services will be subject to deductibles and coinsurance provisions that are consistent with those that apply to other benefits under the covered person's medical plan.

NEWBORNS' AND MOTHERS' HEALTH PROTECTION ACT

Under federal law, group health plans and health insurance issuers generally may not restrict benefits to participants for any hospital length of stay in connection with childbirth for the mother or newborn child to:

- Less than 48 hours following a normal vaginal delivery, or
- Less than 96 hours following a Caesarean section

SPECIAL NOTE: The law does not generally prohibit the mother's or newborn's attending physician, after consulting with the mother, from discharging the mother or her newborn less than 48 hours after delivery (or 96 hours, as applicable) after the birth. In any case, the plan cannot require a provider to obtain authorization from the plan for prescribing a hospital stay of not more than 48 hours (or 96 hours).
