Please Note: The certificate owner must sign the form for validity.

Important Tax Information: This information will help you complete sections 4 and 5, which are required by the Internal Revenue Service. Please read it carefully. Mercer and its representatives cannot give tax or legal advice. Mercer generally must report to its certificate owners all payments of taxable income on Internal Revenue Form 1099. These payments include certificate disbursements to the extent a taxable gain is distributed. If the certificate is classified as a modified endowment contract (MEC), it is taxed on an income-first basis, meaning that all gain in the certificate is distributed first, followed by recovered basis. For additional information, you can reference the Internal Revenue Service website at www.irs.gov.

Tax Withholding Election: Federal and State tax laws require us to withhold income taxes from certain cash payments. If you sign and date this form, but do not make an election in section 4 or 5, Mercer will be required to withhold federal income taxes of 10% of the taxable amount of the distribution. You must check the appropriate box in section 4 if you do not want to have federal income taxes withheld. You must check the appropriate box in section 5 to certify your Taxpayer Identification Number (TIN). You will be liable for any federal income taxes. If you request a check to be mailed to an address outside of the U.S. or is possessions, you cannot elect out of withholding unless you provide evidence of your citizenship as described below. **Note:** Your transaction may also be subject to State withholding taxes in certain states. If your resident state requires mandatory withholding, we will withhold the default amount your State requires even if you elect no withholding.

Estimated tax and possible penalties: If you elect to have no income tax withheld from your withdrawal or if you do not have enough income tax withheld, you may be responsible for payment of estimated tax. You may incur penalties if your withholding and estimated tax payments are not sufficient. You may be subject to penalties if you fail to provide your correct Taxpayer Identification Number, fail to report taxable interest or dividends on your tax return, or give false tax information. You may be subject to a 10 percent federal income tax penalty if you are under the age of 59 ½ and your certificate is classified as a MEC.

Tax Certification:

Citizenship: You must indicate if you are not a U.S. citizen or resident alien. In that case, you must state the country of which you are a citizen and submit an applicable IRS Form W-8 (BEN, BEN-E, ECI, EXP, IMY). In most instances, Form W-8BEN will be the appropriate form.

Backup withholding: You must tell us if the IRS has notified you that you are subject to backup withholding because you did not report all your taxable interest and dividends on your tax return. **You are not subject to backup withholding if either (a) you did not receive such a notice from the IRS, (b) the IRS recently told you that you are no longer subject to a backup withholding order, or (c) you are exempt from such withholding.**

Taxpayer Identification Number and date of birth: You must include your Tax Identification Number (TIN) and date of birth. The TIN for the certificate is:

- Your Social Security Number if you are an individual or the owner of a sole proprietorship;
- The Employee Identification Number (EIN) if you represent a trust, estate, corporation, partnership or tax-exempt organization;
- The TIN of the grantor/trustee, or that the actual owner of a trust-like entity not recognized as a legal or valid trust under state law.
