### 3. Sign and Date

I understand and agree to the following: I must be a currently contracted agent with Ohio National or its subsidiaries to be eligible for this program. Otherwise, I will not be considered an insured under this policy, no claims made against me will be covered, and any premiums paid by me will be returned. *Should my contract with Ohio National or its subsidiaries terminate for any reason, coverage will terminate on the same date as my Ohio National termination. I will be provided a One-Year Extended Reporting Period (ERP) at no charge unless terminated for disciplinary reasons or I have current coverage under another policy. The ERP allows me additional time to report claims first made during the extended reporting period and occurring prior to the termination of coverage and after the date of my first continuous claims-made E&O coverage.*

This is a claims-made and reported policy. I have no knowledge of any pending claim or incident that could give rise to a claim under the proposed policy, and if any such claim exists, or knowledge or information exists and any claim or action arises therefrom, it is excluded from coverage for which this renewal form applies. A potential gap in coverage may occur if I elect an effective date that is not continuous with my prior expiration date, and may result in denial of a claim.

Signature \_\_\_\_\_ Date \_\_\_\_\_
