# 2023 Health Insurance Plans for Retired Members

## Who can enroll?

Retired Members, surviving spouses/partners, and eligible dependents

## When can I enroll?

Annually during Open Enrollment, or within 30 days of an eligible event such as retirement

## Do I need to re-enroll every year?

No, your current SDCERA-sponsored plan election(s) will renew automatically if you take no action during Open Enrollment

**This is the last year SDCERA will hold an Open Enrollment for its health insurance plans. After November 11, 2022, you will only be able to drop your SDCERA-sponsored health insurance. You will not be able to add additional enrollees or change your SDCERA-sponsored coverage. If you are enrolled in an SDCERA-sponsored health plan, your current plan election(s) will automatically renew for the 2023 calendar year, unless you request a change.**

### Eligibility

SDCERA sponsors group medical insurance plans for retired Members and their eligible dependents. In addition, if you are the surviving spouse/partner or dependent of a deceased SDCERA Member and you receive a monthly SDCERA retirement benefit, the plans are also available to you. Eligible dependents include a spouse or registered domestic partner and children under age 26.

If you elect an SDCERA-sponsored health plan, the cost for coverage is deducted directly from your monthly retirement benefit payment. Please be advised that in order to enroll in a plan, the amount of your monthly pension benefit must exceed the full cost of the premium(s) being deducted.

Plans provide coverage in both California and out-of-state service areas, but service areas vary by plan. Please contact the plan to verify that you live within its service area before enrolling. Premiums and types of medical plans vary based on Medicare eligibility. SDCERA does not offer plans that provide coverage to Members living outside of the United States.

### Enrollment in a plan

You may enroll or make changes to your current SDCERA-sponsored plan selection during Open Enrollment from October 10 to November 11, 2022. Enrollment or changes outside of the annual Open Enrollment period are limited to qualifying life events (see Page 2). **If you wish to continue your current SDCERA-Sponsor health insurance plan election(s), you do not need to do anything during Open Enrollment; your current plan election(s) will renew automatically.** If you change your plan, or enroll for the first time, allow 30 days from the effective date for the carrier to recognize your coverage. Plan ahead for any necessary prescriptions or care you may require.

**Changes outside of the annual Open Enrollment period are limited.** After Open Enrollment ends on November 11, 2022, you will not be able to make any additions or changes to your SDCERA-sponsored plan. You will still be able to cancel coverage for yourself or your dependents at any time.

If you are (or your dependent is) eligible for Medicare and the other is not, you can enroll in separate plans (Medicare and non-Medicare) with the same carrier.

To enroll in medical and/or dental plans, please visit [health.sdcera.org](http://health.sdcera.org), click on Retiree Health insurance Program and then “Enrollment”, and follow the steps outlined to obtain a copy of the *SDCERA Health Insurance Plans Enrollment* form. This form is used to process your request, which includes enabling premium deductions to cover the cost of plan premiums and using your address for health zone coverage verification purposes. **Please note, enrollment in some of the SDCERA-sponsored Medicare plans requires a separate carrier-specific form.** More information is available on the Retiree Health Insurance Program page. You may submit your form(s) requesting enrollment in an SDCERA-sponsored plan online or by mailing or faxing your completed form(s) to the SDCERA Health Plans Service Center.

Medical plan coverage details and premiums begin on Page 4 of this booklet. The premiums shown for medical plans are per person, per month.

# 2023 Monthly Premiums

## Non-Medicare Plans

Plan	Monthly Premium Per Person
Health Net HMO	\$2,216.24

### **SDCERA-sponsored Medicare plans**

Although you may be enrolled in Medicare Part A and Part B, you may still have medical expenses not covered by Medicare; therefore, enrolling in an additional insurance plan such as an SDCERA-sponsored medical plan may help pay for expenses that Medicare does not cover.

As long as you are covered by an SDCERA-sponsored medical plan, you will have the option of joining a Medicare drug plan in the future—without a penalty. SDCERA-sponsored medical plans meet the Centers for Medicare and Medicaid Services (CMS) creditable coverage guidelines. The Notice of Creditable Coverage on Page 10 of this booklet provides you with the documentation you need to prove that you have had creditable coverage through an SDCERA-sponsored plan. This notice protects you from penalty charges and allows you to join a Medicare drug plan in the future (if you so decide).

SDCERA offers three types of Medicare health plans for Members covered by Medicare Part A and Part B. SDCERA-sponsored plans include comprehensive medical coverage as well as the Medicare prescription drug coverage; therefore, if you enroll in an SDCERA-sponsored plan, your drug coverage will be provided through the SDCERA-sponsored plan you select. **If you enroll in a separate Medicare prescription plan (Part D), you and your dependents will be disenrolled from the SDCERA-sponsored plan.**

**Medicare Supplement plans** allow you to keep your Medicare benefits and use any physician or facility that accepts Medicare.

**Medicare HMO plans** coordinate their coverage with Medicare. You may also use your Medicare card to obtain services outside

your health plan.

**Medicare Advantage plans** require your Medicare Part A and Part B to be assigned to a health plan.

Refer to the Medicare Information page on the Retiree Health Insurance Program page of [health.sdcera.org](http://health.sdcera.org) for more information about the types of Medicare health plans.

If you are eligible for Medicare, but your dependent is not (or if you are not eligible for Medicare and your dependent is), and you both want to enroll in SDCERA-sponsored plans, you may enroll in separate plans with the same carrier.

You must submit a copy of both sides of your signed Medicare identification card to confirm your eligibility for enrollment in an SDCERA-sponsored Medicare plan. If you have submitted a copy in the past, you do not need to submit another copy. If you are (or your dependent is) newly enrolled in Medicare Part A and Part B, please submit a copy of the signed card to the SDCERA Health Plans Service Center when you receive it.

If you are (or your dependent is) covered by Medicare Part A only or Medicare Part B only, different premiums may apply. If this situation affects you, contact the SDCERA Retiree Health Insurance Program Service Center at 1.866.751.0256 to confirm your monthly premium.

For information about the Medicare program, enrollment deadline or to contact Medicare, visit [www.medicare.gov](http://www.medicare.gov) or call 1.800.633.4227.

# Notice of Creditable Coverage

## Important notice about your prescription drug coverage and Medicare

The prescription drug coverage provided under the SDCERA-sponsored medical plans for retired Members is expected to pay out, on average, at least as much as the standard Medicare prescription drug coverage will pay.

**If you are enrolled in an SDCERA-sponsored Medicare plan, and you decide to enroll in a separate Medicare drug plan, your entire current SDCERA-sponsored medical and prescription drug coverage will end for you and all covered dependents.** If you decide to join a Medicare drug plan and drop your current SDCERA-sponsored coverage, be aware that you and your dependents will be unable to get your SDCERA-sponsored health coverage back until the next Open Enrollment period.

Members enrolled in an SDCERA-sponsored prescription drug plan receive notice of creditable coverage annually. You may receive this notice at other times in the future, such as before the next period during which you may enroll in Medicare prescription drug coverage, if SDCERA-sponsored plan coverage changes, or upon your request.

# COBRA Continuation Coverage

The Consolidated Omnibus Budget Reconciliation Act (COBRA) provides retired Members, non-Member payees, and their dependents who lose SDCERA-sponsored coverage the right to continue medical and dental coverage for limited periods of time due to certain COBRA-qualifying events.

## Electing COBRA coverage

If you are eligible to elect COBRA continuation coverage due to a qualifying event, you have 60 days (from the date of the COBRA election notice or the date you lose coverage, whichever is later) to elect COBRA continuation coverage.

## COBRA Qualifying events

COBRA defines a qualifying event as the loss of health plan coverage that is attributable to death of the Member, divorce, legal separation, annulment or dependent(s) ineligibility (for instance, your dependent(s) no longer satisfies the requirements for coverage, such as attainment of age 26).

Each individual who is affected by the qualifying event may independently elect continuation coverage. This means that if you and your dependents are entitled to elect continuation coverage, you each may decide separately whether to do so. The covered Member or the spouse/registered domestic partner is allowed to elect on behalf of any dependent children or on behalf of all qualified beneficiaries; COBRA coverage is limited to a maximum of 36 months and the following terms and conditions apply:

- COBRA premiums are calculated based on current monthly medical or dental plan rates plus a two percent administrative fee.
- You may only continue the coverage that was in effect on the date of the qualifying event.
- Coverage is extended only to those individuals covered at the time of the qualifying event.

# COBRA Continuation Coverage (cont.)

COBRA participants are subject to the same plan coverage levels and administrative rules (e.g., adding dependents and changing or canceling coverage) that apply to non-COBRA participants.

COBRA is provided subject to your eligibility for coverage under the law and the plan. SDCERA reserves the right to terminate your continuation coverage retroactively if you are later determined to be ineligible.

Federal law places responsibility upon the Member or the Member's eligible dependent(s) to notify within 60 calendar days of death, divorce, legal separation, annulment or dependent's ineligibility. If you or your eligible dependent(s) do not notify the SDCERA Health Plans Service Center of the qualifying event within the required time frame, you and your dependents will be ineligible for COBRA. Other forms of notice will not bind the plan.

**You will be ineligible for COBRA coverage if you do not notify the SDCERA Health Plans Service Center within 60 days of a qualifying event.**

# Legal Notices

## **SDCERA Retiree Health Program administration fee**

The Health Program administrative fee will change from \$5.15 to \$4 effective January 1, 2023.

## **CHIP/Medicaid Notice**

---

### Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you are eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you may not be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, **visit [www.healthcare.gov](http://www.healthcare.gov)**.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a state listed below on pages 15-18, contact your state Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your state Medicaid or CHIP office or dial **1.877.KIDS NOW** or **[www.insurekidsnow.gov](http://www.insurekidsnow.gov)**. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at **[www.askebsa.dol.gov](http://www.askebsa.dol.gov)** or call **1.866.444.EBSA (3272)**.

## Physician Designation Notice

---

The SDCERA HMO retiree medical plans generally require the designation of a primary care provider. You have the right to designate any primary care provider who participates in the health plan's network and who is available to accept you or your family members. Until you make this designation, your HMO plan designates one for you. For information on how to select a primary care provider, and for a list of the participating primary care providers, contact:

Health Net Non-Medicare HMO	1.800.522.0088
Health Net Medicare HMO	1.800.275.4737
UHC Non-Medicare HMO	1.800.624.8822
UHC Medicare HMO	1.800.457.8506

For children, you may designate a pediatrician as the primary care provider. You do not need prior authorization from Health Net or UHC or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in the health plan's network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact your medical plan provider.
