AGAINST MISHAPS

SELF-ADMINISTERED **ACCIDENTADVANCE**[®] ACCIDENT INSURANCE

AccidentAdvance, underwritten by Transamerica Life Insurance Company, can help protect you and your family in the event of unanticipated medical bills when someone is hurt.

George enrolls himself, his wife, and his kids in the accident insurance offered at the car dealership where he works. He and his wife even joke that since she is such a klutz, they'll get plenty of use out of it. A few weeks later, he drops a cinder block on his foot while working in his garage, breaking a bone. He ends up with a cast, crutches, and a joke his wife will never let him live down. But it could've been worse - without insurance, it would have been no laughing matter.

GET BENEFITS TO SPEND ON WHAT YOU NEED

Without *AccidentAdvance*, George's health insurance pays for many of his medical expenses, but he still has co-pays and a high deductible. And there are other costs: for one, he doesn't make commissions for sales on the days he misses work.

Because he has accident insurance, he has financial help without dipping into family savings or using a credit card. Accident insurance benefits are paid directly to the insured, letting George use them where and how they're most needed.

FLEXIBILITY TO MEET YOUR NEEDS

George gets specific amounts for his emergency care (including X-rays and physician care received within 96 hours of the accident), follow-up visits, and physical therapy while recovering. Plus, George would have received additional help had he needed an ambulance, initial hospitalization, or intensive care. See this brochure for in-depth information about what benefits are paid for specific injuries or procedures.

HELP PROTECT YOURSELF AND YOUR FAMILY

George liked the ability to add his wife and kids to his policy. Because kids can be especially accident-prone, a family accident policy could provide extra peace of mind. Eligible dependent children can keep their insurance through age 25.

GROUP BENEFITS DISCLOSURE POLICY

Transamerica Employee Benefits (TEB) is a unit of Transamerica Life Insurance Company and Transamerica Financial Life Insurance Company. TEB markets and administers voluntary insurance benefits through licensed insurance agents. These agents are typically appointed to sell our products, and products of other providers, and receive various forms of compensation from us for the services provided. We believe our compensation arrangements with our agents are conducted with honesty, fairness and integrity. In addition, we realize that having trusted relationships between our agents and our customers is essential to all involved. To ensure this trust continues and to address any concerns within the industry, we have outlined our policy on agent compensation disclosure.

TEB's policy supports transparency and full disclosure of agent compensation to our customers and prospective customers. In addition, we have put controls in place to facilitate this disclosure and obligate our agents to disclose compensation information to customers: 1) when asked by a customer; 2) when receiving both a fee from the customer and compensation from TEB; and 3) when otherwise required by law. Agents must comply with all applicable laws in the sale of TEB products, including any pertaining to the disclosure of compensation information.

TEB's Group Benefits Compensation Disclosure Notice (below) describes the various means by which agents may be compensated for the sale of our products. It is the responsibility of your agent to share specific information with you about his or her compensation arrangements with TEB. Accordingly, please direct any compensation disclosure questions directly to your agent.

COMPENSATION DISCLOSURE NOTICE TO ALL POLICYHOLDERS

Agents who sell and service our products are paid a commission. It varies by the type of insurance policy sold and the state where the policy was sold, and is based on a percentage of the premium received in the first year, and at policy renewal. Agents may receive advances or loans against anticipated commissions for cases sold or to be sold. These advances may or may not require the payment of interest, depending upon the agent's total business and historical experience with TEB.

Agents may receive other compensation from TEB in the form of cash or non-cash awards or prizes, based upon a variety of factors that may include the level of premium written or earned, persistency and growth of premium, or other performance measures. Agents who manage, supervise or recruit other agents or wholesale our products and services to other agents, may receive commission overrides on business that results from their efforts.

Some of our agents may receive additional payments for providing services in connection with the administration of our products. Fees for such services may be calculated on a per policy or per certificate basis or upon the premium volume associated with a specific case. TEB may additionally reimburse these agents/administrators for certain expenses, such as the cost of mailings.

Agents may occasionally obtain exclusive rights to market TEB products or services to agents, employers, employees, or members of associations or unions. Certain groups or associations may also agree to endorse TEB's products to their members. TEB may pay a fee for these exclusive marketing rights or endorsements. See your proposed policy documents or policy certificate package for more information on any such arrangements.
