### **Certificate of Insurance For Group Critical Illness Insurance Policy**

**This limited Plan provides supplemental benefits only. It does not constitute comprehensive health insurance coverage (often referred to as “major medical coverage”) and does not satisfy the requirement of minimum essential coverage under the Affordable Care Act.**

**This Plan provides benefits for the Critical Illnesses listed in the Benefit Schedule.**

**Please read it carefully.**

**Your Employer** (the “Policyholder”) applied for coverage under this Group Critical Illness Insurance Policy (the “Plan”). This Plan is issued by Continental American Insurance Company (the “Company,” “CAIC,” “we,” “us,” or “our”). For the purposes of this Plan, “you” (including “your” and “yours”) refers to you. Based on the Application and the timely payment of premiums, the Company agrees to pay the benefits provided on the following pages. (Please note that male pronouns— such as “he,” “him,” and “his”—are used for both males and females, unless the context clearly shows otherwise.)

You will notice that certain words and phrases (including some medical terms and the names of Plan documents) in this document are capitalized. The capitalized words refer to terms with very specific definitions as they apply to this insurance Plan.

We certify that you are insured under the Group Critical Illness Policy (the “Plan”). The Plan was issued to the Policyholder. This coverage provides benefits for loss resulting from Critical Illness. The Certificate is subject to the definitions, exclusions, and other provisions of the Plan.

Certain provisions of the Plan are summarized in this Certificate. All provisions of the Plan, whether contained in your Certificate or not, apply to the insurance referred to by the Certificate.

This Certificate, on its Effective Date, automatically replaces any Certificate or Certificates previously issued to you under the Plan.

## **Section I – Eligibility, Effective Date, and Termination**

### **Eligibility**

You are eligible to be covered under this Plan if you are Actively at Work for your employer and included in the class that is eligible for coverage, as shown on the Master Application.

Dependents of an Employee are eligible for coverage under this Plan. A *Dependent* is:

- Your Spouse or Domestic Partner, **or**
- The Dependent Child of you or your Spouse or Domestic Partner (details included in the **Definitions** section).

*Insured* means you or your eligible Dependent, if any, who is covered under the Plan in the following categories:

- **Employee Coverage** – We insure the Employee and any Dependent Children.
- **Employee and Spouse / Domestic Partner Coverage** – We insure the Employee, Spouse or Domestic Partner, and any Dependent Children.

We will not insure anyone specifically excluded from coverage by Endorsement to the Certificate or by application, even if that person would otherwise be eligible for coverage.

Details for adding Insureds to your coverage are outlined in the Effective Date section.

### **Effective Date**

Your Certificate Effective Date is shown on the Certificate Schedule.

Your Certificate Effective Date is the date your insurance takes effect. After we receive and approve the Application, that date is either:

- The date shown on the Certificate Schedule if you are Actively at Work on that date, **or**
- The date you return to an Actively-at-Work status if you were not Actively at Work on the date shown on the Certificate Schedule.

The Effective Date for a Spouse or Domestic Partner or Dependent Child is:

- The date shown on the Certificate Schedule if that Spouse or Domestic Partner or Dependent Child is not confined to a hospital and is eligible for coverage on that date, **or**
- The date the Spouse or Domestic Partner or Dependent Child is no longer confined to a hospital (if that Spouse or Domestic Partner or Dependent Child was confined to a hospital on the Certificate Schedule date) and is eligible for coverage on that date.

A Spouse or Domestic Partner may be added to the Plan after the Employee's Effective Date. To be added, the Employee must complete an Application to add his Spouse or Domestic Partner to the Plan. The Company will assign the Effective Date for a Spouse's or Domestic Partner's coverage after approving the application. For Spouse or Domestic Partner coverage to become effective, the Spouse or Domestic Partner must be included in the premium payment.

Newborn children will be covered from the moment of birth, adopted children from the date the petition is filed for adoption, and step-children from the date of the Employee's marriage.

A day begins at 12:01 a.m. standard time at the Employee's, Spouse's or Domestic Partner's, or Dependent Child's place of residence.

### **Plan Termination**

The Company has the right to cancel the Plan on any premium due date for the following reasons:

- The premium is not paid before the end of the Grace Period,
- The number of participating Employees is less than the number mutually agreed upon by the Company and the Policyholder in the signed Master Application,
- The Policyholder does not provide timely information or meet any obligations required by this Plan and applicable law, **or**
- The Company cancels the Plan any time after the end of the first policy year. To do this, the Company must give the Policyholder 60 days' written notice.

The Policyholder has the right to cancel the Plan on any premium due date.

- To do this, the Policyholder must give the Company at least 60 days' written notice.
- The Plan will end on the date in the written notice or the date the Company receives the notice, whichever is later.

All outstanding premiums are due upon Plan termination. If the Company accepts premium payments after the Plan terminates, this will not reinstate the Plan; we will refund any excess premium.

**The Policyholder has the sole responsibility of notifying Certificateholders in writing of the Plan's termination as soon as reasonably possible.** If the Plan terminates, it—and all Certificates and Riders issued under the Plan—will terminate on the specified termination date. The termination occurs as of 12:01 a.m. at the Policyholder's address.

## **Termination of Your Insurance**

Your insurance will terminate on whichever occurs first:

- The date the Company terminates the Plan.
- The 60<sup>th</sup> day after the premium due date, if the premium has not been paid.
- The date you no longer belong to an eligible class.

Insurance for a covered Spouse or Domestic Partner or Dependent Child will terminate on the earliest of any of the bullet points listed above, or:

- The premium due date following the date the covered Spouse or Domestic Partner or Dependent Child no longer qualifies as a Dependent.
- The premium due date following the date we receive your written request to terminate coverage for your Spouse or Domestic Partner or all Dependent Children.

If your coverage terminates, we will provide benefits for valid claims that arose while your coverage was active.

## **Portability Privilege**

When you are no longer a member of an eligible class and your coverage would otherwise end, you may elect to continue your coverage under this Plan. You may continue the coverage you had on the date your Certificate would otherwise terminate, including any in-force Spouse or Domestic Partner or Dependent Child coverage.

To keep your coverage in force, you must:

- Notify the Company in writing within 31 days after the date your coverage would otherwise terminate, **and**
- Pay the required premium to the Company no later than 31 days after the date your coverage would otherwise terminate and on each premium due date thereafter.

Ported coverage will end on the earliest of the following dates:

- 31 days after the date you fail to pay any required premium; **or**
- The date the Group Plan is terminated.

If you qualify for this Portability Privilege, then the Company will apply the same Benefits, Plan Provisions, and Premium Rate as shown in your previously issued Certificate.

## **Section II – Premium Provisions**

### **Premium Payments**

**Premiums for this Plan should be paid to the Company at its Home Office in Columbia, South Carolina.** The first premiums are due on this Plan's Effective Date. After that, premiums are due on the first day of each month that the Plan remains in effect.

Payment of any premium will not keep the Plan in force beyond the due date of the next premium, except as set forth in the Grace Period provision.

## **Premium Changes**

The Plan's first Anniversary Date appears on the Policy Schedule. Subsequent anniversaries will be the same date each following year.

Unless we have agreed in writing not to increase premiums, the premium may change:

- On the Policy Anniversary Date based on renewal underwriting.
- Whenever the terms or conditions of the Plan are modified. The new premium rates will apply only to premiums due on or after the rate change takes effect.

We will provide the Policyholder a 60-day advance written notice of any change to a premium.

Premiums on the Policy Anniversary Date are determined by your Attained Age. The Attained Age rates are shown in the Schedule of Premiums.

## **Grace Period**

This Plan has a 31-day Grace Period. If a premium is not paid on or before its due date, the premium may be paid during the next 31 days. During the Grace Period, the Plan will stay in force, unless the Policyholder has given the Company written notice of its intention to discontinue the Plan. If the Plan is discontinued, the Plan's termination date will be the latest date for which premium has been paid.

### **Proof of Loss**

*Proof of Loss* refers to documentation that supports a claim. (This information is often found in standardized medical documents, such as hospital bills and operative reports. It includes a statement by the treating Doctor.) Proof of Loss establishes the nature and extent of the loss, the Company's obligation to pay the claim, and the Claimant's right to receive payment.

The Claimant must provide Proof of Loss to the Company at:

**P.O. Box 427, Columbia, South Carolina, 29202.**

Proof of Loss must be given to us within 90 days of the Date of Diagnosis. Failure to give Proof of Loss within such time shall not invalidate or reduce any claim if such Proof of Loss is given as soon as reasonably possible. The Company will not accept Proof of Loss any later than one year and three months after the Date of Diagnosis, except in the absence of your legal mental capacity.

The Claimant will be responsible for the cost of obtaining a completed claim form. We may request additional Proof of Loss, such as records from hospitals or Doctors. We will be responsible for the cost of obtaining these records.

We may require authorizations to obtain medical and psychiatric information as well as non-medical information, including personal financial information.

### **Unpaid Premium**

When a claim is paid, we may deduct any premium due and unpaid from the claim payment.

Unless otherwise specified by you, a change in beneficiary will take effect on the date the notice of change is signed. We will not be liable for any action taken before notice is received and recorded at the Home Office.

If a claim is denied, you will be given written notice of:

- The reason for the denial,
- The Plan provision that supports the denial, **and**

- The Certificate of insurance;
- The Application of the Policyholder, a copy of which is attached to and made part of the Policy when issued; **and**
- Any Riders, Endorsements, or Amendments to the Policy or Certificate.

All statements (excluding fraudulent ones) that the Policyholder or an Insured has made in the Application will be considered representations, not warranties. The Company will not void insurance or reduce benefits as a result of statements made on the Application without sending Application copies.

Changes to this Plan:

- Will not be valid unless approved in writing by an officer of the Company,
- Must be noted on or attached to the Contract, **and**
- May not be made by any insurance agent (nor can an agent waive any Plan provisions).

### **Misstatement of Age**

If an age has been misstated on the Application, the benefits will be those that the paid premium would have purchased at the correct age.

### **Successor Insured**

If you die while covered under this Certificate and your Spouse or Domestic Partner is also insured under this Plan at the time of your death, then your surviving Spouse or Domestic Partner may elect to become the primary Insured at the current Spouse or Domestic Partner Face Amount. This would include continuation of any Dependent Child coverage that is in force at that time.

To become the primary Insured and keep coverage in force, your surviving Spouse or Domestic Partner must:

- Notify the Company in writing within 31 days after the date of your death; **and**
- Pay the required premium to the Company no later than 31 days after the date of your death, and on each premium due date thereafter.

If the Certificate does not cover a surviving Spouse or Domestic Partner, the Certificate will terminate on the next premium due date following your death.

### **Time Limit on Certain Defenses**

After two years from your Effective Date of coverage, the Company may not void coverage or deny a claim for any loss because of misstatements made on your Application. This does not apply to fraudulent misstatements.

### **Clerical Error**

Clerical error by the Policyholder will not end coverage or continue terminated coverage. In the event of a clerical error, the Company will make a premium adjustment.

### **Individual Certificates**

The Company will give the Policyholder a Certificate for each Employee. The Certificate will set forth:

- The coverage,
- To whom benefits will be paid, **and**
- The rights and privileges under the Plan.

### **Required Information**

The Policyholder will be responsible for furnishing all information and proofs that the Company may reasonably require with regard to the Plan.

### **Conformity with State Statutes**

This Plan was issued on its Effective Date in the state noted on the Master Application. Any Plan provision that conflicts with that state's statutes is amended to conform to the minimum requirements of those statutes.

## **Amendment to Policy and Certificate of Insurance for Group Critical Illness**

This Amendment is subject to all of the provisions of the Policy and Certificate to which it is attached. Additions or changes have been made to the Policy and Certificate and are indicated below.

### **EFFECTIVE DATE**

If issued at the same time as the Certificate, this Amendment becomes effective at the same time as the Certificate. If issued after the Certificate, this Amendment will have a later Effective Date.

### **The definition of Dependent is deleted and replaced with the following:**

**Dependent** means your Spouse or your Dependent Child. **Spouse** is your legal wife or husband, including a legally-recognized same-sex Spouse, or a person of either gender who is in a legally recognized and registered domestic partnership, civil union, reciprocal beneficiary relationship, or similar relationship with you, who is listed on your Application. **Dependent Children** are your or your Spouse's natural children, step-children, foster children, children subject to legal guardianship, legally adopted children, or Children Placed for Adoption, who are younger than age 26. However, we will continue coverage for Dependent Children insured under the Plan after the age of 26 if they are incapable of self-sustaining employment due to mental or physical handicap, and are chiefly dependent on a parent for support and maintenance. You or your Spouse must furnish proof of this incapacity and dependency to the Company within 31 days following the Dependent Child's 26th birthday.

The insurance on any Dependent Child will terminate on the last day of the month in which the Dependent Child turns age 26. Termination will be without prejudice to any claim originating prior to the date of termination. Our acceptance of any applicable premium after such date will be considered as premium for only the remaining persons who qualify as Insureds under this Plan. When coverage on all Dependent Children terminates, you must notify the Company, in writing, and elect whether to continue this Plan on an Employee or Employee and Spouse Coverage basis. After such notice, we will arrange for the payment of the appropriate premium due, including returning any unearned premium, if applicable.

**Children Placed for Adoption** are Children for whom you have entered a decree of adoption or for whom you have initiated adoption proceedings. A decree of adoption must be entered within one year from the date proceedings were initiated, unless extended by order of the court. - Cirrhosis, which is a liver disease characterized by replacement of liver tissue by fibrosis, scar tissue, and regenerative nodules, leading to loss of liver function.
- Chronic obstructive pulmonary disease, which is a lung disease characterized by persistently poor airflow as a

result of breakdown of lung tissue and dysfunction of the small airways.

- Congenital Heart Disease, which is heart disease characterized by abnormalities in cardiovascular structures that occur before birth.

- Polycystic liver disease, which is characterized by multiple variable-sized cysts lined by cuboidal epithelium.
- Pulmonary fibrosis, which is a lung disease where the lung tissue becomes thickened, stiff, and scarred due to chronic inflammation.
- Pulmonary hypertension, which is a disease characterized by increased pressure in the pulmonary artery and results in the thickening of the pulmonary arteries and the narrowing of these blood vessels, which causes the right side of the heart to become enlarged.
- Sarcoidosis, which is a disease characterized by the growth of granulomatous lesions that appear in the body.
- Valvular heart disease, which is a disease of the heart valves.

If, while the certificate in force, the Insured is placed on a transplant list for a Major Organ Transplant due to one of the above-identified diseases, we will pay 25% of the Critical Illness benefit. The remainder of the Critical Illness benefit will become payable on the date the surgery occurs. A Major Organ Transplant benefit is not payable if the Major Organ Transplant results from a covered Critical Illness for which a benefit has been paid.

Any such change will be applied to all Certificates in your class and will not be based on your or your Spouse and Dependent Children's health or other individual factors.

You may decrease, but not increase, the amount of your coverage, and the amount of your Spouse's coverage, if any.

**TERMINATION**

Your continued coverage, including any in-force Spouse or Dependent Child coverage, will end:
