1. **A. Legal Entity (please check one):**
   - [ ] Individual
   - [ ] Professional Corporation
   - [ ] Corporation
   - [ ] Partnership
   - [ ] LLP/LLC

   **B. Practice Status:**
   - [ ] Fully Self-Employed
   - [ ] Employed with Self-Employed Activities*

   *Please complete question 14 to provide more information regarding your employed activities.

   **C. Entity name (if applicable):**

   **D. Year Established:**

   **E. List each licensed engineer in your firm below.**

<table>
<thead>
<tr>
<th>Name</th>
<th>ASME Membership I.D. Number</th>
<th>Year first licensed as an engineer</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

   **F. Indicate the size of your staff (list each individual only once):**

   - Principals, Partners, Officers and Directors
   - Engineers (other than principals)
   - Other Technical Staff (describe position)
   - Clerical

   **TOTAL:**

<table>
<thead>
<tr>
<th></th>
<th>$100,000 each claim/$300,000 annual aggregate</th>
<th>$250,000 each claim/$500,000 annual aggregate</th>
<th>$500,000 each claim/$500,000 annual aggregate</th>
<th>$1,000,000 each claim/$1,000,000 annual aggregate</th>
</tr>
</thead>
</table>

2. **A. Please select the limits of liability for which you would like a quotation:**

   - [ ] $100,000 each claim/$300,000 annual aggregate
   - [ ] $250,000 each claim/$500,000 annual aggregate
   - [ ] $500,000 each claim/$500,000 annual aggregate
   - [ ] $1,000,000 each claim/$1,000,000 annual aggregate

   **B. Check if you would like to purchase an additional limit equal to 50% of the limit selected in 2A to apply to defense costs only.**

3. **A. Please provide your actual self-employed gross billings for the past 12 months:**

   **B. Please provide an estimate of your self-employed gross billings for the next 12 months:**

   “Annual Gross Billings” is defined as all amounts billed for engineering services including incidental charges and subcontractor billings excluding direct reimbursable expenses.

4. **In the past five years, have your annual gross billings ever exceeded your answer in question 3A by 50% or more?**

   - [ ] Yes
   - [ ] No

   If “Yes,” please provide on a separate sheet your annual gross billings for each of the past five years and an explanation of what caused the fluctuation in your gross billings.

5. **Requested effective date:**

   (over, please)
Please describe in detail the specific nature of your practice (including types of projects):

In which of the following areas do you or your firm practice?

A. Please indicate the approximate percentages of your annual gross billings for each area.

<table>
<thead>
<tr>
<th>AREA</th>
<th>% of Annual Gross Billings</th>
</tr>
</thead>
<tbody>
<tr>
<td>Plumbing</td>
<td></td>

</tr>
<tr>
<td>Other design, engineering and or consulting services performed by your firm (describe)</td>
<td></td>
</tr>
</tbody>
</table>

Environmental (Study/Audit/Remediation) | ___% |
Asbestos (Study/Audit/Remediation) | ___% |
Machinery Design/Product Design* | ___% |
Refrigeration Systems | ___% |
Petro/Chemical | ___% |
Amusement Ride/Ski Lift | ___% |
Nuclear/Atomic | ___% |
Expert Witness | ___% |
Forensic | ___% |

Total = 100%  

*Please describe in detail by separate attachment including the size and type of project(s). If Machinery Design/Product Design, describe the end use and potential users.

B. Percentage of gross billings derived from the following areas:

Commercial ______ Condominiums**_______ Residential ______ Industrial _______ Governmental _______

**Please provide a detailed description of each condominium project completed in the last 5 years and confirm if this work is generally consistent with anticipated future projects. Include street address or complex name, nature of engineering services, size of project, month/year that services were performed, number of units and fees billed.

8. A. Please provide the following information regarding the three largest projects you participated in during the past five years and indicate if such services were performed for an employer (E) or as a self-employed engineer (SE):

<table>
<thead>
<tr>
<th>Project Type</th>
<th>Services Performed</th>
<th>Date Services Performed</th>
<th>Your Total Gross Billings</th>
<th>Estimated Total Construction Costs</th>
<th>E or SE</th>
</tr>
</thead>
</table>

B. Are the projects listed above consistent with the type of projects anticipated for the future?  
☐ Yes ☐ No

If “No,” please explain.

9. Please check “Yes” or “No” for all risk management practices that you adhere to in your self-employed engineering practice or would adhere to should the situation apply. Please explain any “No” responses on a separate sheet of paper.

A. Do you consistently exceed the minimum number of continuing education hours required in your state? ........... ☐ YES ☐ NO

B. Do you use written scope of service letters for all projects exceeding $500 in billable fees?.......................... ☐ YES ☐ NO

C. Do you conduct construction phase inspections on plans and designs to ensure intent of use? ........................... ☐ YES ☐ NO

D. Do you make use of limitation of liability clauses in your written agreements?........................................... ☐ YES ☐ NO

E. Do you use written status memos over the course of the project? ................................................................. ☐ YES ☐ NO

F. Do you investigate the work experience of other professionals and contractors to identify the potential for problems? .. ☐ YES ☐ NO

G. Do you require that other professionals on the project carry comparable professional liability insurance?........... ☐ YES ☐ NO

H. Do you maintain written quality control procedures, including secondary design review? .............................. ☐ YES ☐ NO

Please explain:

Are all appropriate staff members familiar with them? ........................................................................................................  

☐ YES ☐ NO
Please answer the following questions. If the answer to any question is “Yes,” please provide the question number and full details, including percentage of revenues from the activity, on a separate sheet of paper.

A. Do you perform any services outside the U.S.? .................................................................
B. Are you involved in actual construction, fabrication, erection, design/build or supplying of construction materials? ..............................................................
C. Are you involved in the development, investment, sale or marketing of real estate? ..............................................................
D. Do you subcontract work to others? .................................................................
  If “Yes,” do you require all subcontractors to carry insurance to cover the services they perform? ..............................................................
E. Do you provide ground testing or geotechnical services? ..............................................................
F. Do you manufacture, sell, lease or distribute any product or process? ..............................................................
G. Are you involved in actual construction, fabrication, erection, design/build or supplying of construction materials? ..............................................................
H. Do you perform inspections of residential or commercial property in conjunction with the sale, transfer or financing of the property? ..............................................................
  If “Yes,” (i) Please provide the average number per year: Commercial ___ Residential ___
  (ii) Attach a sample inspection report that you typically would prepare.
I. Do you perform any services related to underground storage tank design, removal, assessment or remediation? ..............................................................
J. Do you develop, sell or lease computer software to others? ..............................................................
K. Are you owned by or do you own any other firm? ..............................................................
  If so, do you render professional services to the firm? ..............................................................
L. Have you been involved in any project involving the integration of embedded chips or any type of computer hardware or software? ..............................................................
M. Have you experienced any failure or inability of any computer or electronic device or component or system or embedded programming or software to correctly assign or recognize the correct day, week, month, year or century? ..............................................................
N. Have you ever been involved in any Y2K rectification work? ..............................................................
O. How many suits for collection of your professional fees were filed during the past fiscal year? Please provide full details on a separate sheet of paper.
P. Does any single client account for 25% or more of your annual gross income? ..............................................................
  If “Yes,” please provide full details on a separate sheet of paper.

11. A. Has the applicant, or an independent contractor hired by the applicant, accepted jobs involving known hazardous materials?* ..............................................................
B. Do you contemplate accepting known hazardous material jobs in the future? ..............................................................
  If you answered “Yes” to either question, please provide a narrative description including the date (year) of service, nature of hazardous material, type of project, fees earned and nature of services provided.
  Include a sample copy of an engagement letter/scope of service letter or contract used for these types of jobs.

* Engineering services that could involve hazardous materials or pollutants include but are not limited to: underground storage tank removal, assessment or remediation; sanitary landfill design; closure of existing sanitary landfills; asbestos sampling, testing or abatement; chemical piping and process design; preparation of environmental site assessments or audits, including Phase I and Phase II assessments/investigations; groundwater testing/remediation; laboratory testing/analysis for pollutants; air emission control systems designed solely for controlling pollutants; site selection evaluation for pollution-related projects; hazardous or toxic waste site design or remediation; lead paint sampling, testing or abatement; site selection evaluation for pollution-related projects; air quality assessments/testing; environmental education; water pollution control; or nuclear-related projects.

12. A. Has any application or policy of yours or your firm’s for Professional Liability Insurance ever been declined, canceled or refused renewal? Please provide details on a separate sheet of paper. ..............................................................
B. Have you or members of your firm had your license revoked or received suspension from a governmental or judicial body or professional society during the past five years? Please provide details on a separate sheet of paper. ..............................................................
C. Have any claims been made or legal actions been brought against you or your firm in the past five years?* ..............................................................
D. After inquiry of firm members, is anyone aware of any circumstances that may result in a claim being made against the firm or any individual?* ..............................................................

*If “Yes,” complete the Claim Information Supplement form for each claim and/or circumstance.
(If more than one claim, please copy this form.)

(next page, please)
13. **A.** List Engineers Professional Liability Insurance carried by you or your firm for the past two years. If none, state “none.”

<table>
<thead>
<tr>
<th>Inception from Mo-Day-Yr</th>
<th>Expiration to Mo-Day-Yr</th>
<th>Insurance Company</th>
<th>Premium</th>
<th>Limit of Liability</th>
<th>Deductible</th>
</tr>
</thead>
<tbody>
<tr>

<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

**B.** Please provide your policy’s current retroactive date:____________________ If none, state “none.”

**C.** What was the date that you/your firm first purchased claims-made professional liability coverage and have continuously maintained the coverage since: __/__/____ If not applicable, please check: ☐ N/A

**D.** If currently insured, please submit a copy of your current declarations page with your completed application.

14. **Employed Activities.** Complete only if you are employed with self-employed activities.

**A.** Number of hours per week as a(n): ______ employed engineer ______ self-employed engineer

**B.** Employer’s Name: ____________________________

**C.** Are your activities as an employed engineer the same as described in question 6?..........................................

If “No,” please describe:

______________________________________________________

Attach a separate page if more room is needed.

**D.** Does your employer maintain professional liability insurance that will cover you for your acts as an employee? .................................................................

If “Yes,” please provide the name of the insurer and limit of liability:

______________________________________________________

15. Please provide your website address, a copy of your current résumé, letterhead and typical advertising/sales/marketing brochures used by you or your firm.

**NOTICE TO APPLICANT:**

I/We hereby declare that the above statements and particulars are true to the best of our knowledge and that I/We have not suppressed or misstated any material facts and I/We agree that this application shall be the basis of the contract, and shall be attached thereto. I/We hereby authorize the release of claim information from any prior insurer to the Underwriters.

I understand and accept that the policy applied for provides coverage on a “claims-made” basis for ONLY THOSE CLAIMS THAT ARE FIRST MADE AND REPORTED TO THE UNDERWRITER DURING THE POLICY PERIOD FOR ACTS THAT OCCUR AFTER THE POLICY’S RETROACTIVE DATE AND PRIOR TO THE EXPIRATION DATE OF THE POLICY.

Signature of Owner, Officer or Partner* (TITLE) X __________________________ Date X __________________________

*Signing this form and tendering premium does not bind the applicant or the Underwriters to complete the insurance. Application must be currently signed and dated to be considered for quotation.

Sign, date and mail your application to: ASME Insurance Plans, P.O. Box 9153, Des Moines, IA 50306-9696.
