What is Accident Insurance?

Accident Insurance pays you benefits for specific injuries and events resulting from a covered accident that occurs on or after your coverage effective date. The benefit amount depends on the type of injury and care received. You have the option to elect Accident Insurance to meet your needs. Accident Insurance is a limited benefit policy. It is not health insurance and does not satisfy the requirement of minimum essential coverage under the Affordable Care Act.

Other features of Accident Insurance include:

- **Guaranteed issue:** No medical questions or tests are required for coverage.
- **Flexible:** You can use the benefit payments for any purpose you like.
- **Payroll deductions:** Premiums are paid through convenient payroll deductions.
- **Portable:** If you leave your current employer, you can take your coverage with you.

How can Accident Insurance help?

Below are a few examples of how your Accident Insurance benefits could be used:

- Medical expenses, such as deductibles and copays
- Home healthcare costs
- Lost income due to lost time at work
- Everyday expenses like utilities and groceries

Who is eligible for Accident Insurance?

- **You**—all active employees:
 - Part Time employees working 15/16-36.99 hours/week are benefits eligible and payroll deduction eligible.
 - Full Time employees working 37+ hours are benefits eligible and payroll deduction eligible.
- **Your spouse***— under age 70. Coverage is available only if employee coverage is elected.
- **Your children**— to age 26. Coverage is available only if employee coverage is elected.

*The use of "spouse" in this document means a person insured as a spouse as described in the certificate of insurance or rider. Please contact your employer for more information.

When is my coverage effective?

The effective date of coverage is the date you are eligible to begin filing claims. The injury must occur on or after the coverage effective date.

2019 Open Enrollment

- Your coverage becomes effective on January 1, 2020, following the election of coverage. Coverage for your spouse and/or children becomes effective on the same date as your coverage.

New Hires

- Coverage becomes effective at 12:01 AM on the latest of the following:
 - First of the following month after you complete your enrollment.
 - The first day of the month following the date you return to active employment, if you are not in active employment when your coverage would otherwise become effective.
- Coverage for your spouse and/or children becomes effective on the same date as your coverage.
