I WISH TO INCREASE MY COVERAGE AMOUNT BASED ON THE MOST RECENT COVERED EARNINGS REPORTED BY INSPERTY HOLDINGS, INC.

On any date while the Employee is in Active Service, an increase in the Insured Employee's Coverage Amount may be made, based on an increase in the Employee's Covered Earnings, not to exceed the sum of the Coverage Amount and the Paid-up Insurance, if any, will not exceed: (a) 6 times the Employee's Covered Earnings, rounded to the next higher \$1,000; or (b) \$2,500,000.

Please be advised of the following guidelines:

- Must be elected within 30 days of the Insured's increase in Covered Earnings; and
- If the change in Covered Earnings would increase your current coverage amount by more than \$100,000, you will be subject to evidence of insurability, which may include answering health questions or taking medical tests.
- The effective date of the increase will be the date we receive this completed and signed change form; or the day we agree in writing to accept the Insured, with respect to any higher Coverage Amount that is subject to Evidence of Insurability.

I authorize the above changes to my coverage. I understand that certain changes may require medical information which will be requested by the Insurance Company if necessary. I authorize my employer to make the appropriate payroll deductions for changes noted above.
