About Our Role and Compensation

The California Optometric Association has selected ZNAT Insurance Company (Zenith) for this insurance program. Alternative insurance products may be available in the insurance market place. Mercer Health & Benefits Insurance Services LLC is providing this single insurer option on behalf of the California Optometric Association. If the program requirements of the insurer are not met, Mercer may seek additional options on your behalf. In accordance with industry custom, we are compensated through commissions that are calculated as a percentage of the insurance premiums charged by insurers. We may also receive additional monetary and nonmonetary compensation from insurers, or from other insurance intermediaries, which may be contingent upon volume, profitability or other factors. This compensation may include payment from insurers for marketing related expenses or investments in technology. Our compensation may vary depending on the type of insurance purchased and the insurer selected. We will provide you additional information about our compensation and information about alternative quotes, upon your request. You may obtain this information by referring to <https://www.personal-plans.com/disclosure> and entering the security code O4235234 or call us at 1-888-206-5088 for specific details.
