Group Vision

Extraterritorial booklet-certificate amendment

Policyholder: California Institute of Technology

Group policy number: 866280

Group control number: 869106

Effective date: January 1, 2020

This amendment is part of your booklet-certificate that describes your vision coverage. It is effective on the date shown above and it replaces any other vision extraterritorial booklet-certificate amendment you may have received before.

Important note: The following applies only if you live in the State/Commonwealth of Ohio. The benefits below will apply instead of those in your booklet-certificate unless the benefits in your booklet-certificate are better.

Continuing Coverage for Dependents After Your Death

If you should die while enrolled in this plan, your dependent's coverage will continue as long as:

- You were covered at the time of your death;
- Your coverage, at the time of your death, is not being continued after your employment has ended, as provided in the *When Coverage Ends* section;
- A request is made for continued coverage within 31 days after your death; and
- Payment is made for the coverage.

Your dependent's coverage will end when the first of the following occurs:

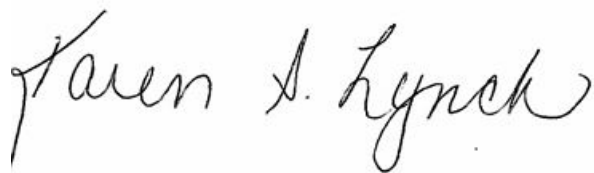

- The end of the 12 month period following your death;
- He or she no longer meets the plan's definition of "dependent";
- Dependent coverage is discontinued under the group contract;
- He or she becomes eligible for comparable benefits under this or any other group plan; or
- Any required contributions stop; and
- For your spouse, the date he or she remarries.

If your dependent's coverage is being continued for your dependents, a child born after your death will also be covered.

Important Note

Your dependent may be eligible to convert to a personal policy. Please see the section, *Converting to an Individual Medical Insurance Policy* for more information.

This amendment makes no other changes to the **group policy**, booklet-certificate, or schedule of benefits.
