

¹National Safety Council, Injury Facts®, 2017 Edition

²Covered services/treatments must be the result of a covered accident or sickness as defined in the group policy/certificate. See the Outline of Coverage for more detail.

³Benefit amount is based on sample MetLife plan design. Actual plan design and plan benefits may vary.

⁴Coverage is guaranteed provided (1) the employee is actively at work and (2) dependents to be covered are not subject to medical restrictions as set forth on the enrollment form and in the Certificate. Some states require the insured to have medical coverage. Additional restrictions apply to dependents serving in the armed forces or living overseas.

METLIFE'S ACCIDENT INSURANCE IS A LIMITED BENEFIT GROUP INSURANCE POLICY. The policy is not intended to be a substitute for medical coverage and certain states may require the insured to have medical coverage to enroll for the coverage. The policy or its provisions may vary or be unavailable in some states. There is a preexisting condition exclusion for hospital sickness benefits, if applicable. MetLife's Accident Insurance may be subject to benefit reductions that begin at age 65. And, like most group accident and health insurance policies, policies offered by MetLife may contain certain exclusions, limitations and terms for keeping them in force. For complete details of coverage and availability, please refer to the group policy form GPNP12-AX or contact MetLife. Benefits are underwritten by Metropolitan Life Insurance Company, New York, New York.
