

Mercer Consumer,
 a service of Mercer Health & Benefits
 Administration LLC
 12421 Meredith Drive
 Urbandale, IA 50398

SIGNATURE VALIDATION SURETY BOND PROGRAM

Signature Validation Program™ (SVP) was developed as an alternative to the use of a notary and to eliminate the wrongful use of the medallion guarantee equipment for certifying signatures on non-securities transactions.

Enrollment in the Signature Validation Program is limited to those enrolled in the STAMP, SEMP or NYSE MSP. The STAMP, SEMP or NYSE MSP Surety Bond can be with any surety.
