Consultants Workshop
Sponsored by IEEE Central Texas Consultants Network
Co-sponsors: Austin Life Member Affinity Group and Mercer Consumer

Risk Control - Protecting Your Business from Financial Threats

Date: September 8, 2018

Time: 12:00 p.m. – 5:00 p.m.

Location: Room 301 at Highland Business Center
Austin Community College
5930 Middle Fiskville Rd, Austin, TX 78752
https://meetings.vtools.ieee.org/m/175261

Topic: Risk Control: Protecting Your Business from Financial Threats

Attendees of this workshop will experience an interactive, multi-media presentation covering Contracts and Contract Provisions, Professional Liability Claim Case Studies, Professional Liability Risk for Engineers video vignettes and discussion with the subject matter expert.

Key Take-aways:

- How you can identify risk in contract provisions and what to negotiate for your own protection
- How even the most seasoned engineering firms and professionals may become involved in litigation, whether frivolous or warranted, and how your insurance responds
- How to reduce your risk of financial loss, reputation loss and loss of time with specific risk management tips

Subject matter expert: Steve Stephanides, RPLU, MBA, of the Specialty Lines/A&E practice at Beazley Group. Steve is the lead underwriter for Beazley, as it pertains to the IEEE member's professional liability insurance program.

Program expert: Jim Jacobsen, Sr. Associate at Mercer Consumer, IEEE Professional Liability Insurance Program manager
