Get started - 5 quick tips

- 1 Find a workout you enjoy.** SilverSneakers gives you access to equipment, pools and group exercise classes at no extra cost. Try different workouts to see what you enjoy.
- 2 Pace yourself.** Work hard enough to make your heart stronger without over-doing it.
- 3 Slow down or rest when necessary.** It's okay if you find it difficult to keep going for the entire class. You will get stronger by continuing to exercise.
- 4 Listen to your body.** You can expect occasional minor soreness after exercising. It's a positive sign you are using your muscles!
- 5 Warm up and cool down.** A warm-up gradually prepares your muscles and joints for exercise. When you finish your workout, your body needs a chance to cool down slowly.
