THE INSURANCE TRUST FOR DELTA RETIREES

GROUP RETIREE HEALTH INSURANCE PLAN

The Insurance Trust for Delta Retirees (ITDR) has chosen to offer its Medicare-eligible retirees and their eligible spouses and survivors the Group Retiree Health Plan from The Hartford. This plan provides the flexibility needed to keep healthcare decisions in your hands, including what doctors to visit. Benefits are provided for covered health services received from any doctor or other licensed medical professional that accepts Medicare.

THE GROUP RETIREE HEALTH PLAN EXPLAINED.

The Trust's Group Retiree Health Plan is available to Medicare-eligible retirees and their eligible spouses and survivors. The plan is a supplement to your existing Medicare Part A (hospital) and Part B (doctor and outpatient care) coverage. It is designed to pay some or all of the expenses that Medicare does not cover.

The Group Retiree Health Plan is different from Medicare Advantage plans. With Medicare Advantage plans members receive their Medicare Part A and Part B benefits through the plan and use of a provider network may be required. With The Hartford's Group Retiree Health Plan, eligible Part A and Part B benefits are paid by Original Medicare first as the primary payor. Next, Medicare submits any charges remaining directly to the Trust's insurance carrier, The Hartford, as the secondary payor. **You may receive services from any doctor or licensed medical professional that accepts Medicare.**

FOUR GREAT FACTS ABOUT THE GROUP RETIREE HEALTH PLAN

1. **YOU GAIN GREATER CONTROL OF YOUR HEALTH CARE COSTS.**

This plan can help you to reduce your annual healthcare spending by covering many of your out-of-pocket expenses above what Medicare covers. Additionally, the plan is actively managed to control premium costs and all members pay the same fixed rate, regardless of age.

2. **YOU CAN CHOOSE YOUR DOCTOR — NO NETWORKS.**

This plan gives you the freedom to choose any doctor or hospital in the country that accepts Medicare.

3. **HELPFUL VALUE ADDED SERVICES.**

This plan provides additional services that contribute to your health and wellness, and help to save you time and money.

4. **FOCUSED ON MEETING YOUR NEEDS, YOUR WAY.**

The Retiree Service Center provides dedicated customer service to meet the needs of retirees like you. And whether, you want to use a telephone or computer, we make it easy for you to find the answers to your questions.
