List of Participating Pharmacies

This program has been designed for the Trust by J. Smith Lanier & Co. and Express Scripts. This is the only such program established by Express Scripts. It is another benefit Trust Members are able to enjoy due to our size with over 24,000 Members.

Pharmacies participating in the ITDR Low Cost Generics Program:

- **Pharmacies from the Express Scripts' network were chosen for the program to maximize Trust Plan Members' access**, following review of our Members' geographic access and past utilization.
- **Members may select from over 95 participating grocery and retail chains with more than 19,000 locations.*** The 10 largest participating chains in order of number of locations are Rite Aid, Walmart, Target, Kroger, Publix, Safeway, Sam's Club, Costco, Winn-Dixie, and Shopko Pharmacy.
- **97% of Members have access to a participating pharmacy within 10 miles of their home zip codes**, 88% within 5 miles. Overall, 99% have access within 15 miles, with the remaining 1% of Members living in more remote locations.
