

Critical Illness Insurance

from Allstate Benefits

Benefits are paid to you

Protection for out-of-pocket expenses upon a positive diagnosis

1 CHOOSE

You choose the benefits to protect yourself and any family members if diagnosed with a covered critical illness

2 USE

You go to your annual exam, the doctor runs tests, the results come back and you're diagnosed with a critical illness

3 CLAIM

You go online and file a claim. The cash benefits are paid to you, to use however you wish

You can't predict the future, but you can plan for it. We invite you to put yourself in Good Hands with Critical Illness insurance from Allstate Benefits.

Our coverage helps offer financial support if you are diagnosed with a covered critical illness. With the expense of treatment often so high, seeking the treatment you need seems like a heavy financial burden. But when a diagnosis occurs, what you should be focusing on is getting better. With Allstate Benefits, you gain the power to take control of your health when faced with a covered event.

Here's How It Works

You select the benefit coverage amount you want based on your individual need and your budget. If you have covered family members, our coverage also provides cash benefits for them. Then, if diagnosed with a covered critical illness, you will receive a cash benefit based on the percentage payable for the condition.

With Allstate Benefits, you gain the power to make treatment decisions without putting your finances at risk.

Are you in Good Hands? You can be.

Key Features

- Guaranteed Issue coverage, meaning no medical questions to answer at initial enrollment
- Coverage available for spouse and child(ren)
- Benefits are paid regardless of any other coverage
- Premiums are affordable and are conveniently payroll deducted
- Coverage may be continued

YOU DECIDE how to use the cash benefits

Our cash benefits provide you with greater coverage options because you get to determine how to use them.

Finances

Can help protect your HSAs, savings, retirement plans and 401ks from being depleted

Travel

You can use your cash benefits to help pay for expenses while receiving treatment in another city

Home

You can use your cash benefits to help pay the mortgage, continue rental payments, or perform needed home repairs for your after care

Expenses

The lump-sum cash benefit can be used to help pay your family's living expenses such as bills, electricity and gas

Benefits

The percentage shown for each benefit is the percentage of the Basic Benefit Amount payable for each critical illness. After 100% of the Basic Benefit Amount has been paid within a category (Category 1, 2 or 3), no more benefits are paid for any illness associated with that category. Once a covered person has exhausted all benefit maximums in Categories 1, 2 and 3, coverage ends for that person.

Category 1 Benefits

Heart Attack (100%)	Stroke (100%)
Heart Transplant (100%)	Coronary Artery Bypass Surgery (25%)

Category 2 Benefits

Major Organ Transplant (100%)	Paralysis (100%)
End Stage Renal Failure (100%)	Alzheimer's Disease (25%)

Category 3 Benefits

Invasive Cancer (100%)	Carcinoma in Situ (25%)

Group Voluntary Critical Illness (GVCIP1)

Important Information About Your Coverage

Provides details of base policy and rider coverage in all states. State-specific information is noted when it varies from the standard. Below is a list of base policy and rider benefits available with Group Critical Illness coverage. Please refer to your employer-chosen plan for the specific items that apply to your coverage. You will receive a certificate that details the certificate specifications for the coverage you purchased.

Group Critical Illness Issue ages are 18 and over if Actively at Work.

Benefit Specifications

Heart Attack Exclusion - A cardiac arrest is not a heart attack and is not covered by this benefit.

Stroke Exclusions - Transient ischemic attacks (TIAs), head injury, chronic cerebrovascular insufficiency and reversible ischemic neurological deficits are excluded.

Coronary Artery Bypass Surgery Exclusions - The following procedures are not considered coronary artery bypass surgery: balloon angioplasty; laser embolectomy; atherectomy; stent placement; or other non-surgical procedures.

NJ - The Coronary Artery Bypass Surgery benefit is replaced with: **Coronary Artery Disease**. The exclusion is replaced with: **Coronary Artery Disease Condition**: There must be 80% or greater narrowing or blockage of coronary arteries due to atherosclerotic heart disease.

Major Organ Transplant Exclusion - does not include Heart Transplant.

NJ - The Major Organ Transplant benefit is replaced with: **Major Organ Failure**. The exclusion is replaced with: **Major Organ Failure Condition**: Must be irreversible, meeting the criteria as described in your certificate.

Paralysis - Permanent loss of use of 2 or more limbs. Paralysis as a result of stroke is excluded.

GA - The Paralysis benefit is payable if it is a result of an accident and/or sickness.

Alzheimer's Disease Limitation - Must be diagnosed by a psychiatrist or neurologist and the insured must be unable to perform at least 3 activities of daily living.

FL, NE - Must be diagnosed by a psychiatrist or neurologist and the insured must be unable to perform at least 2 activities of daily living.

Invasive Cancer Exclusions - Does not include: carcinoma in situ; tumors related to HIV; non-invasive or metastasized skin cancer; or early prostate cancer. Includes: Leukemia and Lymphoma.

CA - Does not include: cancer that has not spread to adjacent tissues; tumors related to HIV; non-invasive or metastasized skin cancer; or early prostate cancer.

Carcinoma in Situ Exclusions - Does not include: other skin malignancies; premalignant lesions (such as intraepithelial neoplasia); or benign tumors or polyps.

Recurrence Exclusion - There must be at least 18 months between each diagnosis, and no treatment received during that 18-month period.

Maximum Benefit by Category

After 100% of the Basic Benefit Amount has been paid within a category, no more benefits will be paid. Once a covered person has received 100% of the Basic Benefit Amount in each category and the Recurrence Benefit, coverage ends for that covered person.

Second Evaluation Benefit Rider

Second Consultation - By a physician other than your current physician.

Non-Local Transportation - Limit \$5,000/12-month period.

Outpatient Lodging - Limit \$1,000/12-month period. More than 75 miles from home.

Family Member Lodging and Transportation - Lodging limit \$1,000/12-month period. Transportation limit \$5,000/12-month period.

CO, DC, FL, MN, NJ - This rider is not available.

Conditions, Limitations and Exclusions Affecting Your Benefits

Conditions and Limits

All States - Coverage described in the certificate is subject to the terms of the policy issued to the policyholder (employer). It alone makes up the agreement by which the insurance is provided. All critical illnesses must meet the definitions and dates of diagnosis stated in the policy and be diagnosed by a physician while coverage is in effect. Emergency situations while you are outside the U.S. will be considered when you return to the U.S.

Your Eligibility

All States - Your employer decides who is eligible for your group (such as length of service and hours worked each week). Issue ages are 18 and over.

Dependent Eligibility/Termination

(a) Coverage may include you, your spouse or domestic partner and children under age 26;

DC, NJ - Coverage may include you, your spouse, domestic partner or civil union partner and children under age 26.

HI - Coverage may include you, your spouse or domestic partner, children under age 26, and your certified reciprocal beneficiary.

ID - Coverage may include you, your spouse and children under age 26.

(b) Coverage for children ends when the child reaches age 26, unless he or she continues to meet the requirements of an eligible dependent;

IL - Coverage for children ends when the child reaches age 26 (30 if a military veteran who is an Illinois resident), unless he or she continues to meet the requirements of an eligible dependent.

MA - Coverage for children ends when the child reaches age 26 (or 2 years following loss of dependent status under the Internal Revenue Code, whichever comes first), unless he or she continues to meet the requirements of an eligible dependent.

PA - The following is added to item (b): Coverage will not terminate due to age on a child who was a full-time student and whose studies were interrupted by active duty service in the military.

(c) Spouse coverage ends upon divorce or your death. Domestic partner coverage ends upon the end of the domestic partnership or your death.

DC - Spouse coverage ends upon divorce or your death. Domestic/civil union partner coverage ends upon termination of partnership or your death.

ID - Spouse coverage ends upon divorce or your death.

NJ - Spouse or civil union partner coverage ends upon valid decree of divorce or your death. Domestic partner coverage ends upon termination of partnership or your death.

When Coverage Ends

Your coverage under the policy ends when: the policy is cancelled; you stop paying your premium; you are no longer eligible; or the date the maximum total percentage of the Basic Benefit Amount is paid as noted in the "Maximum Benefit by Category" paragraph on the previous page.

Portability Privilege

Coverage may be continued under the Portability Provision when coverage under the policy ends.

NJ - The Portability Privilege is replaced with Conversion Privilege - A covered person may obtain a converted policy without evidence of insurability if coverage under the policy ends for reasons other than non-payment of premiums.

Pre-Existing Condition Limitation

(a) We do not pay benefits for a pre-existing condition during the first 12 months of coverage.

ME, NJ, UT - We do not pay benefits for a pre-existing condition during the first 6 months of coverage.

MN - The following is added to (a): If loss occurs after the 12-month period beginning on the date that person became insured, it will be considered a covered loss and no longer considered a pre-existing condition.

PR - We do not pay benefits for a pre-existing condition during the first 12 months of coverage. Any loss which begins after the first 12 months of your effective date of coverage will not be considered a pre-existing condition and will be eligible for payments under this plan. A pre-existing condition does not include a condition admitted on the application.

(b) A pre-existing condition is a disease or physical condition for which symptoms existed or medical advice or treatment was recommended or received from a medical professional in the 12-month period before the effective date.

ID, ME, UT - A pre-existing condition is a disease or physical condition for which symptoms existed or medical advice or treatment was recommended or received from a medical professional in the 6-month period before the effective date.

MN - A pre-existing condition is a disease or physical condition for which medical advice or treatment was recommended or received from a medical professional in the 12-month period before the effective date.

MT - A pre-existing condition is a disease or physical condition for which medical advice or treatment was recommended or received from a medical professional during the 6-month period before the date of enrollment.

NJ - A pre-existing condition is a condition for which medical advice or treatment was recommended by or received from a physician in the 6-month period before the effective date.

NC, ND, VA - A pre-existing condition is a disease or physical condition for which medical advice or treatment was recommended or received from a medical professional in the 12-month period before the effective date.

PA - A pre-existing condition is a disease or physical condition for which medical advice or treatment was received within the 90-day period before the effective date. The condition will be covered after 12 months of coverage.

SD - A pre-existing condition is a disease or physical condition for which: a prudent person would seek medical advice, diagnosis, care, or treatment; or medical advice or treatment was recommended or received from a medical professional in the 12-month period before the date of coverage.

(c) A pre-existing condition can exist even though a diagnosis has not yet been made.

MN, MT, NE, NC, OR - (c) is deleted.

FL - The following is added: The exception is follow-up care for breast cancer. If you have been previously found to be free of breast cancer, routine follow-up care does not constitute medical advice, diagnosis, care or treatment unless evidence of breast cancer is found during, or as the result of, the follow-up care.

GA - **The Pre-Existing Condition Limitation is deleted and replaced with the Benefit Waiting Period Limitation** - (a) We do not pay benefits for a critical illness that occurs during the first 30 days of coverage. (b) If a diagnosis occurs during the Benefit Waiting Period, the following options are available: 1. return the coverage for a full refund, or 2. continue coverage for the other specified critical illnesses listed.
