NOTICE AND ELECTION OF FEDERAL INCOME TAX WITHHOLDING ON DISTRIBUTIONS

The distribution you receive is subject to federal withholding unless you elect not to have withholding apply. Withholding will only apply to the portion of your distribution that is included in your income subject to federal income tax. Thus, there will be no withholding on the return of your premium payments that may be recovered tax-free. You may elect not to have withholding apply. **If you do not want to have federal income tax withheld from your distribution, select the appropriate box below. If no box is selected, NYL GBS will automatically withhold, if applicable.** Even if you elect not to have federal income tax withheld, you are liable for payment of federal income tax on the taxable portion of your distribution. You also may be subject to tax penalties under the estimated tax payment rules if your payments of estimated tax and withholding, if any, are not adequate.
