Group Disability Income Insurance Plan

For Members of the Illinois State Bar Association
Underwritten by New York Life Insurance Company

THIS PLAN CAN REPLACE A PORTION OF YOUR INCOME WHEN YOU CAN'T WORK

If a covered disabling accident or illness suddenly took away your ability to work and as a result also took away your ability to earn a paycheck how would you continue to afford the living expenses you must now pay? With the Group Disability Income Insurance Plan sponsored by your association, your income would continue in the form of a monthly benefit that you select. You can select short-term or long-term insurance protection. Don't let a disability rob you of your income. Rely on the security provided by the Group Disability Income Insurance Plan.

WHO IS ELIGIBLE?

ISBA Members and their lawful spouses who are under age 60 and at FULL-TIME WORK can request coverage, provided they reside in the United States (except territories and the excluded states listed below) and Puerto Rico . However, members on active duty in the armed forces and full-time students are not eligible.

"FULL-TIME WORK" means the active performance for pay or profit of the regular duties of your normal occupation on the basis of at least 25 hours per week.

This plan is not available to residents of AL, AK, AR, CT, DE, FL, IL, KS, KY, ME, MD, MO, MT, NV, NM, NY, SC, SD, TX, UT, VA, WV, WY.

HOW THE PLAN WORKS

SHORT-TERM PLAN (PLAN I): Under this coverage, you may receive a monthly benefit beginning on the 31st day of total disability for up to one full year if totally disabled due to a covered injury or sickness.

LONG-TERM PLAN (PLAN II): Under this coverage, you may receive a monthly benefit beginning on either the 31st or 91st day of total disability up to age 65, if total disability begins prior to age 65, or for two years but not beyond age 70 if disability occurs on or after age 65 but prior to age 70. Total benefits you receive from this plan and from any other income replacement plan (as defined by the group policy) may not exceed 70% of your AVERAGE MONTHLY INCOME. See Certificate of Insurance for more information.

Monthly benefits will be paid up to the maximum benefit period selected. Monthly benefits under either plan will end on the date proof of continuing disability is not provided, you are no longer disabled, the maximum benefit period ends, or you die.

YOU CAN SELECT YOUR MONTHLY BENEFITS

SHORT-TERM PLAN (PLAN I): Your monthly benefit can range from $500 to $3,000 (in $100 increments).

LONG-TERM PLAN (PLAN II): Your monthly benefit can range from $500 to $10,000 (in $100 increments).

The monthly benefit you choose, together with any other disability income insurance you may have or for which you're applying, cannot exceed 70% of your AVERAGE MONTHLY INCOME.

AVERAGE MONTHLY INCOME means, as of any date:

1. If you're self-employed: your average monthly wages, salaries, commissions, fees and any other amounts received by such person for personal services. If your business is incorporated, it also includes the cost of fringe benefits and share of monthly net profit, whether received or not.
2. If you're not self-employed: the basic monthly rate of compensation from your employer, including commissions.

AVERAGE MONTHLY INCOME does not include income from bonus, overtime pay or other extra compensation. It is computed before deduction of any income taxes or social insurance taxes and after deduction of normal and usual business expenses that are deductible for income tax purposes. AVERAGE MONTHLY INCOME is the average for the immediate preceding tax year or two tax years, whichever produces the higher figure (or entire period, if less than 12 months).

IMPORTANT PLAN FEATURES

Waiver of Premium Benefit

After a covered total disability has continued for six continuous months for which benefits are payable and while the program is in force, premiums will be waived and it will not be necessary to continue premium payments for as long as the insured is continuously disabled and receiving benefits. When the insured stops receiving monthly benefits, premiums must again be paid when due.

Related Disability Benefits

The insured will receive their selected benefit for disabilities which are recurrent in nature. Successive periods of disability due to the same or related cause, when separated by a return to FULL-TIME WORK for less than 6 continuous months, shall be considered one period of total disability as will unrelated disabilities that are not separated by a return to FULL-TIME WORK of at least one day.

Vocational Rehabilitation

This benefit is designed to help certain disabled individuals return to the work force. Under this provision, a professional rehabilitation staff reviews case histories and identifies those individuals who appear to have the greatest likelihood of rehabilitation. Individuals selected by New York Life Insurance Company will be offered the option of participating in a rehabilitation program at no cost to them. Participation is voluntary and benefits will not be reduced due to participation in the program.

HOW THE PLAN WORKS

Helps Protect You as a Trial Lawyer

The plan pays benefits if you are totally disabled. You will be considered totally disabled, during the waiting period and next 24 months, if due to covered Injury or Sickness, you are completely unable to perform the material duties of your specialty.

After the initial 24 month period, TOTAL DISABILITY is defined as the complete inability to perform the material duties of occupation for which you may qualify based on your education, training or experience (not specifically within your specialty).

You must be under the regular care of a physician (other than yourself) and must not be engaged in the full-time practice of law.

Premiums Waived If You Are Totally Disabled

After receiving benefit payments for six continuous months, premiums due thereafter will be waived during the remainder of the disability. When you stop receiving monthly benefits, premiums must again be paid when due.

Survivor Benefits

If you die while receiving benefits, an eligible survivor will receive a one-time benefit payment equal to three times the last net monthly benefit paid to you. Eligible survivors include your spouse or, if spouse is deceased, surviving children under age 23. Only one such benefit is payable.

Benefits for Specific Disorders

If TOTAL DISABILITY is due to a mental, nervous or emotional disorder, alcoholism or drug addiction, the benefit period will not exceed 24 months. This limitation is only applicable to Plan II.

Plan II Reduction on Account of Other Income Benefits

If the monthly benefit paid under this plan plus income benefits you received from other sources (as listed in the group policy) exceeds 70% of your basic monthly pay, then the monthly benefits to be paid under this plan will be reduced by the amount by which the total income benefit exceeds 70%. This limited reduction is only applicable to Plan II.

Rates in this brochure will not be changed unless they are changed for all insureds in your classification, or when you reach the next age category.

*For renewal purposes only – only those under age 60 may apply. Insurance terminates at age 70.

If applicable, an additional $2 billing fee will be included on your billing notice payable to the administrator. To avoid the fee, select Electronic Funds Transfer (EFT) as a safe and secure payment option.
