# Group Accidental Death & Dismemberment Insurance Plan

Underwritten by New York Life Insurance Company

For Fleet Reserve Association Members and Their Families

## \$50,000 TO \$500,000 MEMBER COVERAGE!

Accidents. Television and newspapers report them every day. But what if one happened to you? Would your family have the financial resources to survive the crisis? If you travel a great deal in your work ... or if you are subject to possible injury on the job ... you may need the FRA-endorsed Group Accidental Death & Dismemberment Insurance Plan. It helps protect you and your insured family members by providing accident protection that covers you year round ... anywhere in the world.

## WHO IS ELIGIBLE?

As a member of the Fleet Reserve Association under age 70, you are eligible to apply for coverage for yourself, your lawful spouse under age 70, and unmarried dependent children under age 19 (26 if a full-time student). To become insured, a completed Form must be submitted and the required premium contribution must be paid when billed.

This coverage is available to residents of the United States (except FL, NC, OR, SD, VT, WA and territories) and Puerto Rico.

## WHAT YOU CAN CHOOSE

You may select a Principal Sum ranging from \$50,000 to \$500,000 (in units of \$50,000) for yourself - at competitive group rates. You have a choice of two Plans - the Member Only Plan or the Family Plan. The Member Only Plan pays benefits for covered accidental death or injury for you alone. The Family Plan is designed to cover all of your eligible dependents for benefit amounts based on a percentage of your Principal Sum.

An individual may not be insured under one or more AD&D Group Policies underwritten by New York Life for a total amount of AD&D coverage that exceeds current over-insurance standards.

When you reach age 70, coverage converts to Common Carrier Travel Accident Insurance and the total coverage amount you have in force under this Policy may not exceed \$100,000. Common Carrier coverage protects against accidents that occur while riding on a public conveyance - airplane, bus, train, or taxi.

## HOW THE PLAN WORKS

### Schedule of Benefits

Except as stated in the description of the Disappearance benefit below, for an injury directly and independently caused by an accident while coverage is in force for you, your spouse or your child, the benefits specified below will be paid if such resulting loss(es) occur within 365 days of that accident.

### Benefits are payable for the following losses:

**FULL PRINCIPAL SUM** for loss of: life; or two limbs; or movement of both upper and lower limbs (quadriplegia); or sight of both eyes; or both speech and hearing; or one limb and sight of one eye.

**THREE-QUARTERS OF PRINCIPAL SUM** for loss of: movement of both lower limbs (paraplegia).

**ONE-HALF OF PRINCIPAL SUM** for loss of: one limb; or movement of both upper and lower limbs on one side of the body (hemiplegia); or sight of one eye; or speech; or hearing.

**ONE-QUARTER OF PRINCIPAL SUM** for loss of the thumb and index finger of either hand.

Loss means: with reference to limbs, actual severance through or above the wrist or ankle joints; with reference to thumb and index finger, actual severance through or above metacarpophalangeal joints; with reference to sight, speech or hearing, entire and irrevocable loss thereof; and with reference to movement, complete and irreversible paralysis of such limbs.

**Disappearance** - If an insured is riding in a conveyance and such conveyance either disappears or sinks as a result of an accident and the insured's body is not found within one year after that accident, the insured will be presumed dead, as a result of accidental injury, and the benefit in effect will be payable.

**Military Air Travel Benefit** - If a covered person, insured under the certificate of a member of a participating military association/organization, is recalled to service or is serving in the reserves, coverage will double, up to \$150,000 while the covered person is a passenger on any transport type aircraft operated by the U.S. Military Airlift Command.

The total benefit payable for all losses due to a single accident will not be more than the Principal Sum. Only one of the sums, the largest, will be paid for all injuries to the same limb resulting from one accident.

If applicable, an additional \$2 billing fee will be included on your billing notice payable to the administrator. To save the fee, select Electronic Funds Transfer (EFT) as a safe and secure payment option.

The premium contributions shown reflect the current rate and benefit structure. Premium contributions may be changed by New York Life Insurance Company on any premium due date and any date on which benefits are changed. The benefit will not exceed the lesser of \$25,000 or 25% of the Principal Sum.

- Rehabilitation Benefit

Rehabilitation training can help an insured person return to former productivity following an accident. This benefit may be paid for a covered loss other than loss of life. The amount paid will equal the lesser of 10% of the Principal amount up to a maximum of \$10,000. The expense must be incurred within two years after the date of the accident.

- Seat Belt Benefit

If an insured person is involved in an automobile accident in which he/she was properly wearing a seatbelt, and dies within 365 days as a result of that accident, the beneficiary can receive an additional amount which is the lesser of \$50,000 or 50% of the Principal Sum payable. Please refer to the Certificate of Insurance for certain limitations and conditions on this benefit.

- Education Benefit

This benefit will be payable each year up to four years, for each insured dependent who is enrolled (or enrolls within 365 days of the accident) as a full-time student at an institution of higher learning (college, university or trade school). In addition, if no insured spouse or child qualifies for this benefit following the covered loss of the member's life, a lump sum benefit equal to 2% of the member's principal amount will be payable.

Please refer to the Certificate of Insurance for certain limitations and conditions on this benefit.

The benefit is paid each year for each child who qualifies, except that no more than four Day Care Benefits will be paid for each such child. If the insured Member has no child eligible for this benefit at the time of the covered loss, a benefit of \$500 will be paid.

**Only The Following Benefit Is Payable At Member Age 70 and After**

- Common Carrier Travel Accident Benefit

When the insured Member reaches Age 70, coverage is converted to Common Carrier Travel Accident Insurance only. A benefit is payable for a covered loss which is the result of an accident while traveling as a passenger in a common carrier (such as a train, bus, aircraft) properly licensed and operated for that purpose. Total amounts of coverage under the Policy in excess of \$100,000 will be reduced to \$100,000.

**Exclusions and Limitations**

No benefit will be payable for any loss that occurs during or is due or related to or resulting from: participation in or incarceration resulting from, in a role other than as victim, commission of a felony, or illegal occupation/activity; voluntary intake of drugs, narcotics or intoxicants, unless taken as prescribed by a physician; illegal use of drugs or intoxicants, or legal intoxication; any declared or undeclared war or act thereof; operating, riding in or descending from any aircraft except when riding as a passenger, **Except, as previously stated, a limited benefit is payable for covered losses by insured persons recalled to service or serving in the reserves, while traveling as a passenger on any transport type aircraft operated by the U.S. Military Airlift Command**; physical or mental sickness or medical/surgical treatment thereof; suicide or intentionally self-inflicted injury while sane or insane.

In addition, when you reach age 70, coverage converts to Common Carrier Travel Accident Insurance, and if your total coverage amount exceeds \$100,000 it is reduced to \$100,000. This applies to all the coverage you have under Policy G-29319.

## BENEFICIARY

You may select any person, persons, trust or other legal entity as your beneficiary. If, at the time of your death, there are no surviving beneficiaries, benefits will be paid to the executor or administrator of your estate, or at the option of New York Life, to the surviving relatives in the following order of survival: spouse; children equally; parents equally; or brothers and sisters equally. The member is the beneficiary for spouse's and children's coverage. If you wish to designate a different beneficiary, simply contact the Plan Administrator at 1-800-424-1120 for a Beneficiary Form.

## WHEN COVERAGE ENDS

Insurance will terminate on the occurrence of the earliest of these conditions: if premium contributions are not paid when due; if the Group Policy is terminated or modified by the Policyholder or New York Life Insurance Company to end insurance for the group of insureds to which the insured belongs; for any insured person, if the Principal Sum for that insured has been paid; for dependent spouse and/or child coverage, if member coverage ends, except that such dependent coverage may be continued if the member's Principal Sum has been paid; for a dependent spouse, when he/she is no longer a lawful married spouse; for a dependent child, upon reaching age 19 (26 if a full-time student). A member's surviving spouse and children may continue coverage if it was in force at the time of the member's death, as described in the Certificate of Insurance.

## EFFECTIVE DATE

Insurance for you and your eligible dependents will become effective on the date specified by New York Life Insurance Company provided the initial contribution is paid within 31 days of the day you are billed and you and your approved dependents are actively performing the normal activities of a person in good health of like age [For NC residents: a person of like age] on that date. Dependent insurance will not take effect unless your insurance is in effect on a premium paying basis, and any person who is not performing his/her normal activities as required will not become insured until the date he/she is performing such activities, provided such date is within three months of the date insurance would have been effective and the person is still eligible. (Payment of a premium contribution for insurance does not mean there is any coverage in force before the effective date as specified by New York Life Insurance Company.)

## CERTIFICATE OF INSURANCE

When you become insured you will be sent a Certificate of Insurance summarizing your coverage. This brochure contains only a brief description of some of the Plan's principal provisions and features. The complete terms and conditions are set forth in the group policy issued by New York Life Insurance Company to the Trustee of the Preferred Group Trust.

## 30-DAY FREE LOOK

When you receive your Certificate of Insurance, read it carefully. If you're not completely satisfied with the terms of your new insurance plan, simply return your Certificate, without claim, within 30 days and your premium will be promptly refunded, and your insurance will then be invalidated.
