2018 Health Insurance Plans for Retired Members

Who can enroll?

Retired Members, surviving spouses/partners, and eligible dependents

When can I enroll?

Annually during Open Enrollment, or within 30 days of an eligible event such as retirement

Do I need to re-enroll every year?

No, your current SDCERA-sponsored plan election(s) will renew automatically if you take no action during Open Enrollment

If you are enrolled in an SDCERA-sponsored health plan, your current plan election(s) will automatically renew for the 2018 calendar year, unless you request a change.

Eligibility

SDCERA sponsors group medical and dental insurance plans for retired Members and their eligible dependents. In addition, if you are the surviving spouse/partner or dependent of a deceased SDCERA Member and you receive a monthly SDCERA retirement benefit, the plans are also available to you. Eligible dependents include a spouse or registered domestic partner and children under age 26.

Premium(s) and applicable fees for all SDCERA-sponsored health plans, including coverage for your dependent(s), will be deducted from your monthly retirement benefit. If your monthly benefit does not cover the cost of the plan(s) you select, the SDCERA Retiree Health Program Service Center will contact you to set up automatic debit from your checking or savings account.

Plans provide coverage in both California and out-of-state service areas, but service areas vary by plan. Please contact the plan to verify that you live within its service area before enrolling. Premiums and types of medical plans vary based on Medicare eligibility. Dental plans are available to Members regardless of age and Medicare eligibility. SDCERA does not offer plans that provide coverage to Members living outside of the United States.

Enrollment in a plan

You may enroll or make changes to your current SDCERA-sponsored plan selection during Open Enrollment from November 1 through November 22, 2017. Enrollment or changes outside of the annual Open Enrollment period are limited to qualifying life events (see Page 2). **If you wish to continue your current election(s), you do not need to do anything during Open Enrollment; your current plan election(s) will renew automatically.** If you change your plan, or enroll for the first time, allow 30 days from the effective date for the carrier to recognize your coverage. Plan ahead for any necessary prescriptions or care you may require.

Enrollment or changes outside of the annual Open Enrollment period are limited. You can cancel coverage for yourself or your dependents at any time. You may be eligible to enroll or make changes within 30 days if you have a qualifying life event noted below:

- retire
- become eligible for Medicare (or your dependent becomes eligible)
- add a dependent due to marriage, domestic partner registration, birth, adoption or placement for adoption
- move outside your plan's service area
- lose eligibility for coverage, such as conclusion of COBRA or Cal-COBRA
- lose eligibility for other coverage (or if the employer stops contributing toward your or your dependents' other coverage), or
- lose eligibility (not due to termination for cause) for Medicaid, Medi-Cal, Children's Health Insurance Program (CHIP), Healthy Families Program, or Access for Infants and Mothers Program (you must request enrollment within 60 days)

If you are (or your dependent is) eligible for Medicare and the other is not, you can enroll in separate plans (Medicare and non-Medicare) with the same carrier.

If you are (or your dependent is) turning 65 in 2018 and will become eligible for Medicare, the SDCERA Health Plans Service Center will send correspondence to your mailing address approximately 90 days prior to your 65th birthday outlining necessary steps to enroll in Medicare and providing information about SDCERA-sponsored Medicare plans. In the meantime, you may enroll in a non-Medicare plan through SDCERA.

To enroll in medical and/or dental plans, please visit www.sdcera.org, click on Retiree Health Program and then "Enrollment", and follow the steps outlined to obtain a copy of the *SDCERA Health Insurance Plans Enrollment* form. This form is used to process your request, which includes enabling premium deductions to cover the cost of plan premiums and using your address for health zone coverage verification purposes. Please note, enrollment in some of the SDCERA-sponsored Medicare plans requires a separate carrier-specific form. More information is available on the Retiree Health Program page. You may submit your form requesting enrollment in an SDCERA-sponsored plan online or by mailing or faxing your completed form to the SDCERA Health Plans Service Center.

Medical plan coverage details and premiums begin on Page 4 of this booklet. Dental coverage details and premiums are on page 9. The premiums shown for medical and dental plans are per person, per month and do not include an administrative fee of \$5.16.

Tier I and Tier II Members: Health Insurance Allowance

The Health Insurance Allowance (HIA) helps offset the cost of premiums for medical, dental and prescription plans. In addition to the allowance, \$93.50 may be reimbursed to offset the cost of Medicare Part B. You are eligible for HIA if you are a retired Tier I or Tier II Member who has at least 10 years of SDCERA service credit or is receiving a disability retirement. Monthly allowance amounts range from \$200 to \$400. The HIA is not a vested SDCERA benefit and is not guaranteed. The allowance may be reduced or discontinued at any time.

To use your HIA towards the cost of a medical, dental and/or prescription plan not sponsored by SDCERA, complete the *Health Insurance Allowance Request* form. You must enroll in the program each year to be reimbursed.

2018 Monthly Premiums

Non-Medicare Plans

Plan	Monthly Premium Per Person
Health Net HMO	\$1,510.19
Kaiser Permanente HMO	\$859.07
UHC Signature Value HMO	\$2,334.18

Medicare information for SDCERA-sponsored plans

SDCERA-sponsored Medicare plans

Although you may be enrolled in Medicare Part A and Part B, you may still have medical expenses not covered by Medicare; therefore, enrolling in an additional insurance plan such as an SDCERA-sponsored medical plan may help pay for expenses that Medicare does not cover.

As long as you are covered by an SDCERA-sponsored medical plan, you will have the option of joining a Medicare drug plan in the future—without a penalty. SDCERA-sponsored medical plans meet the Centers for Medicare and Medicaid Services (CMS) creditable coverage guidelines. The Notice of Creditable Coverage on Page 10 of this booklet provides you with the documentation you need to prove that you have had creditable coverage through an SDCERA-sponsored plan. This notice protects you from penalty charges and allows you to join a Medicare drug plan in the future (if you so decide).

SDCERA offers three types of Medicare health plans for Members covered by Medicare Part A and Part B. SDCERA-sponsored plans include comprehensive medical coverage as well as the Medicare prescription drug coverage; therefore, if you enroll in an SDCERA-sponsored plan, your drug coverage will be provided through the SDCERA-sponsored plan you select. **If you enroll in a separate Medicare prescription plan (Part D), you and your dependents will be disenrolled from the SDCERA-sponsored plan.**

Medicare Supplement plans allow you to keep your Medicare benefits and use any physician or facility that accepts Medicare.

Medicare HMO plans coordinate their coverage with Medicare. You may also use your Medicare card to obtain services outside

your health plan.

Medicare Advantage plans require your Medicare Part A and Part B to be assigned to a health plan.

Refer to the Medicare Information page on the Retiree Health Program page of www.sdcer.org for more information about the types of Medicare health plans.

If you are eligible for Medicare, but your dependent is not (or if you are not eligible for Medicare and your dependent is), and you both want to enroll in SDCERA-sponsored plans, you may enroll in separate plans with the same carrier.

You must submit a copy of both sides of your signed Medicare identification card to confirm your eligibility for enrollment in an SDCERA-sponsored Medicare plan. If you have submitted a copy in the past, you do not need to submit another copy. If you are (or your dependent is) newly enrolled in Medicare Part A and Part B, please submit a copy of the signed card to the SDCERA Health Plans Service Center when you receive it.

If you are (or your dependent is) covered by Medicare Part A only or Medicare Part B only, different premiums may apply. If this situation affects you, contact the SDCERA Retiree Health Program Service Center at 1.866.751.0256 to confirm your monthly premium.

For information about the Medicare program, enrollment deadline or to contact Medicare, visit www.medicare.gov or call 1.800.633.4227.

SDCERA-sponsored dental plans

When deciding which dental plan will provide the best coverage for you, consider the differences between a dental health maintenance organization (DHMO) plan and a dental preferred provider organization (PPO) plan.

DHMO plans contract with their own network of dentists and all care is coordinated by the dental office you select. You may change your dental office at any time. If you receive care (other than emergency services) that is not coordinated by your dental office, you are required to pay the full cost for the services you receive. The cost of your out-of-pocket expense in a DHMO dental plan is based on a schedule of patient charges. There are no charges for many diagnostic and preventive services, and most other types of service require you to pay a copayment.

Dental PPO plans give you the flexibility to have all covered services provided by the dentist of your choice; however, you pay less if you select a dentist within the network the plan has contracted with to provide services, because network dentists charge patients pre-negotiated discount rates for services. If you choose to see an out-of-network dentist, the reimbursement amount is based on the network’s regional schedule of benefits for a geographic area. If your dentist charges more than a network dentist’s allowed fee, you are responsible for paying the difference.

To enroll in a dental plan listed below and establish payment deductions to cover the cost of plan premiums, complete and submit the SDCERA *Health Insurance Plans Enrollment* form on the Retiree Health Program page of www.sdcera.org.

Dental plans

for retired Members and dependents

Refer to each plan’s coverage documents for exact terms and conditions of coverage. If there is a discrepancy between this summary chart and the plan documents, the plan documents will govern.

Orthodontia For adults and eligible dependent children	Copayments vary by service; refer to the schedule of patient charges available from the plan.	50% of PPO contracted fee; \$1,000 lifetime maximum, per person for orthodontia services.	50% of PPO contracted fee; \$1,000 lifetime maximum, per person for orthodontia services.

*If you go out-of-network, visit a Delta Dental Premier dentist for lower costs.

Notice of Creditable Coverage

Important notice about your prescription drug coverage and Medicare

The prescription drug coverage you have under your SDCERA-sponsored medical plan for retired Members is expected to pay out, on average, at least as much as the standard Medicare prescription drug coverage will pay.

If you decide to join a Medicare drug plan, your current SDCERA-sponsored medical and prescription drug coverage will end for you and all covered dependents. If you decide to join a Medicare drug plan and drop your current SDCERA-sponsored coverage, be aware that you and your dependents will be unable to get this coverage back until the next Open Enrollment period.

Members enrolled in an SDCERA-sponsored prescription drug plan receive notice of creditable coverage annually. You may receive this notice at other times in the future, such as before the next period during which you may enroll in Medicare prescription drug coverage, if SDCERA-sponsored plan coverage changes, or upon your request.

COBRA Continuation Coverage

The Consolidated Omnibus Budget Reconciliation Act (COBRA) provides retired Members, non-Member payees, and their dependents who lose SDCERA-sponsored coverage the right to continue medical and dental coverage for limited periods of time due to certain COBRA-qualifying events.

Electing COBRA coverage

If you are eligible to elect COBRA continuation coverage due to a qualifying event, you have 60 days (from the date of the COBRA election notice or the date you lose coverage, whichever is later) to elect COBRA continuation coverage.

COBRA Qualifying events

COBRA defines a qualifying event as the loss of health plan coverage that is attributable to death of the Member, divorce, legal separation, annulment or dependent(s) ineligibility (for instance, your dependent(s) no longer satisfies the requirements for coverage, such as attainment of age 26).

Each individual who is affected by the qualifying event may independently elect continuation coverage. This means that if you and your dependents are entitled to elect continuation coverage, you each may decide separately whether to do so. The covered Member or the spouse/registered domestic partner is allowed to elect on behalf of any dependent children or on behalf of all qualified beneficiaries; COBRA coverage is limited to a maximum of 36 months and the following terms and conditions apply:

- COBRA premiums are calculated based on current monthly medical or dental plan rates plus a two percent administrative fee.
- You may only continue the coverage that was in effect on the date of the qualifying event.
- Coverage is extended only to those individuals covered at the time of the qualifying event.

COBRA Continuation Coverage (cont.)

COBRA participants are subject to the same plan coverage levels and administrative rules (e.g., adding dependents and changing or canceling coverage) that apply to non-COBRA participants.

COBRA is provided subject to your eligibility for coverage under the law and the plan. SDCERA reserves the right to terminate your continuation coverage retroactively if you are later determined to be ineligible.

Federal law places responsibility upon the Member or the Member's eligible dependent(s) to notify within 60 calendar days of death, divorce, legal separation, annulment or dependent's ineligibility. If you or your eligible dependent(s) do not notify the SDCERA Health Plans Service Center of the qualifying event within the required time frame, you and your dependents will be ineligible for COBRA. Other forms of notice will not bind the plan.

You will be ineligible for COBRA coverage if you do not notify the SDCERA Health Plans Service Center within 60 days of a qualifying event.

Legal Notices

SDCERA Retiree Health Program administration credit and fees

SDCERA Retiree Health Program administration fees

The administrative expenses of the health benefit program are paid by each plan participant. The health benefit program expenses are divided equally among all participants, resulting in a monthly fee per person for each plan in which they enroll (applicable to both medical and dental plans). This fee is applicable to SDCERA-sponsored plans and the Health Insurance Allowance program. The monthly administrative fee is \$5.16 for the 2018 plan year.

Patient Centered Outcomes Research Institute (PCORI)

Federal law requires SDCERA to pay the Patient Centered Outcomes Research Institute (PCORI) fee for each health plan participant. This fee, paid to the Internal Revenue Service (IRS), is intended to fund a federal research institute that publishes guidelines for improving public health. Tier I and Tier II members receiving the Health Insurance Allowance or Medicare Part B Reimbursement funds in 2017 will be charged this fee. The federal government determines the current-year PCORI fee in October. Once the fee is determined, SDCERA will deduct the fee from your retirement benefit.

Legal notices

CHIP/Medicaid Notice

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you are eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you may not be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, **visit www.healthcare.gov**.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a state listed below on pages 15-18, contact your state Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your state Medicaid or CHIP office or dial **1.877.KIDS NOW** or **www.insurekidsnow.gov**. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at **www.askebsa.dol.gov** or call **1.866.444.EBSA (3272)**.

Physician Designation Notice

The SDCERA HMO retiree medical plans generally require the designation of a primary care provider. You have the right to designate any primary care provider who participates in the health plan's network and who is available to accept you or your family members. Until you make this designation, your HMO plan designates one for you. For information on how to select a primary care provider, and for a list of the participating primary care providers, contact:

Health Net Non-Medicare HMO	1.800.522.0088
Health Net Medicare HMO	1.800.275.4737
UHC Non-Medicare HMO	1.800.624.8822
UHC Medicare HMO	1.800.457.8506

For children, you may designate a pediatrician as the primary care provider. You do not need prior authorization from Health Net or UHC or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in the health plan's network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact your medical plan provider.

SDCERA-sponsored health insurance plans

Access to SDCERA-sponsored health insurance plans is not a vested right or guaranteed benefit. The County Employees Retirement Law of 1937 and the California Public Employees' Pension Reform Act of 2013 do not require SDCERA to provide any post-retirement health insurance plans. The Board of Retirement annually determines whether to continue the health insurance plans.

Woman's Health and Cancer Rights Act of 1998

Your (or your dependent's) health plan will not restrict benefits if you (or your dependent) received benefits for a mastectomy and elected breast reconstruction in connection with a mastectomy. Benefits will not be restricted provided the breast reconstruction is performed in a manner determined in consultation with your (or your dependent's) physician and may include: (1) reconstruction of the breast on which the mastectomy was performed, (2) surgery and reconstruction of the other breast to produce a symmetrical appearance and (3) prostheses and treatment of physical complications for all stages of mastectomy, including lymphedemas. Benefits for breast reconstruction may be subject to appropriate annual deductibles and coinsurance provisions that are consistent with those established for other benefits under the plan.

Medical and dental plan descriptions contained in this booklet

This booklet provides only a summary of the medical and dental plans offered to retired Members and their eligible dependents. Please refer to each plan's evidence of coverage documents for exact terms and conditions of coverage. If there is a discrepancy between this summary and the plan documents, the plan documents will govern in all cases.

Strength. Service. Commitment.
