

Kaiser Permanente

# 2020 Comprehensive Formulary

(List of Covered Drugs)

**PLEASE READ: THIS DOCUMENT CONTAINS INFORMATION ABOUT THE DRUGS WE COVER IN THIS PLAN**

This formulary was updated on 09/01/19. For more recent information or other questions, please contact the number for your Kaiser Permanente Region listed below, seven days a week, 8 a.m. to 8 p.m., or visit [kp.org/seniorrx](http://kp.org/seniorrx).

## Kaiser Permanente Regions

### CALIFORNIA REGIONS

Kaiser Permanente Senior Advantage (HMO)

#### Member Service Contact Center

**1-800-443-0815 TTY 711**

### COLORADO REGION

Kaiser Permanente Senior Advantage (HMO)

#### Member Services

**1-800-476-2167 TTY 711**

### GEORGIA REGION

Kaiser Permanente Senior Advantage (HMO) and Senior Advantage Medicare Medicaid Plan (HMO D-SNP)

#### Member Services

**1-800-232-4404 TTY 711**

### HAWAII REGION

Kaiser Permanente Senior Advantage (HMO)

#### Member Services

**1-800-805-2739 TTY 711**

### MID-ATLANTIC STATES REGION

(District of Columbia, Maryland, and Virginia)

Kaiser Permanente Medicare Plus (Cost) and Kaiser Permanente Medicare Advantage (HMO)

#### Member Services

**1-888-777-5536 TTY 711**

### NORTHWEST REGION

Kaiser Permanente Senior Advantage (HMO)

#### Member Services

**1-877-221-8221 TTY 711**

**Note to existing members:** This formulary has changed since last year. Please review this document to make sure that it still contains the drugs you take.

When this drug list (formulary) refers to "we," "us," or "our," it means Kaiser Permanente. When it refers to "plan" or "our plan," it means Kaiser Permanente Senior Advantage, Kaiser Permanente Medicare Advantage, or Kaiser Permanente Medicare Plus, depending upon the region in which you are enrolled.

This document includes a list of the drugs (formulary) for our plan which is current as of January 1, 2020. For an updated formulary, please visit our website at [kp.org/seniorrx](http://kp.org/seniorrx) or call us. Contact information for your Kaiser Permanente Region, along with the date we last updated the formulary, appears on the front and back cover pages.

You must generally use network pharmacies to use your prescription drug benefit. The formulary and pharmacy network may change at any time. You will receive notice when necessary.

---

## **What is the Kaiser Permanente Formulary?**

A formulary is a list of covered drugs selected by Kaiser Permanente in consultation with a team of health care providers, which represents the prescription therapies believed to be a necessary part of a quality treatment program. Our plan will generally cover the drugs listed on our formulary as long as the drug is medically necessary, the prescription is filled at a Kaiser Permanente network pharmacy, and other plan rules are followed. For more information on how to fill your prescriptions, please review your **Evidence of Coverage**.

Contact information for your Kaiser Permanente Region, along with the date we last updated the formulary, appears on the front and back cover pages.

## **Can the formulary (drug list) change?**

Most changes in drug coverage happen on January 1, but Kaiser Permanente may add or remove drugs on the Drug List during the year, move them to different cost-sharing tiers, or add new restrictions. We must follow Medicare rules in making these changes.

### **Changes that can affect you this year:**

In the below cases, you will be affected by coverage changes during the year:

#### **New generic drugs**

We may immediately remove a brand name drug on our Drug List if we are replacing it with a new generic drug that will appear on the same or lower cost sharing tier and with

the same or fewer restrictions. Also, when adding the new generic drug, we may decide to keep the brand name drug on our Drug List, but immediately move it to a different cost-sharing tier or add new restrictions. If you are currently taking that brand name drug, we may not tell you in advance before we make that change, but we will later provide you with information about the specific change(s) we have made.

- If we make such a change, you or your prescriber can ask us to make an exception and continue to cover the brand name drug for you. The notice we provide you will also include information on how to request an exception, and you can also find information in the section below entitled “How do I request an exception to the Kaiser Permanente Formulary?”

### **Drugs removed from the market**

If the Food and Drug Administration (FDA) deems a drug on our formulary to be unsafe or the drug's manufacturer removes the drug from the market, we will immediately remove the drug from our formulary and provide notice to members who take the drug.

### **Other changes**

We may make other changes that affect members currently taking a drug. For instance, we may add a generic drug that is not new to market to replace a brand name drug currently on the formulary or add new restrictions to the brand name drug or move it to a different cost-sharing tier. Or we may make changes based on new clinical guidelines. If we remove drugs from our formulary, or add prior authorization, or move

a drug to a higher cost-sharing tier, we must notify affected members of the change at least 30 days before the change becomes effective, or at the time the member requests a refill of the drug, at which time the member will receive a 30-day supply of the drug.

- If we make other changes, you or your prescriber can ask us to make an exception and continue to cover the brand name drug for you. The notice we provide you will include information on how to request an exception. You can find information in the section below entitled "How do I request an exception to the Kaiser Permanente Formulary?"

#### **Changes that will not affect you if you are currently taking the drug.**

Generally, if you are taking a drug on our 2020 formulary that was covered at the beginning of the year, we will not discontinue or reduce coverage of the drug during the 2020 coverage year except as described above. This means these drugs will remain available at the same cost-sharing and with no new restrictions for those members taking them for the remainder of the coverage year.

The enclosed formulary is current as of January 1, 2020. To get updated information about the drugs covered by our plan, please call us. Contact information for your Kaiser Permanente Region appears on the front and back cover pages.

In the event of a midyear non-maintenance formulary change, we will provide details in the Medicare Part D **Explanation of Benefits** that we send you or **Provision of Notice** posted at [kp.org/seniorrx](http://kp.org/seniorrx).

## **How do I use the formulary?**

There are two ways to find your drug within the formulary:

### **Medical condition**

The formulary begins on page 6. The drugs in this formulary are grouped into categories depending on the type of medical conditions that they are used to treat. For example, drugs used to treat a heart condition are listed under the category, "Cardiovascular Drugs". If you know what your drug is used for, look for the category name in the list that begins on page 8. Then look under the category name for your drug.

### **Alphabetical listing**

If you are not sure what category to look under, you should look for your drug in the index that begins on page 63. The index provides an alphabetical list of all the drugs included in this document. Preferred generic and generic drugs, preferred brand-name and nonpreferred brand-name drugs, specialty-tier drugs, and injectable vaccines are listed in the index. Look in the index and find your drug. Next to your drug, you will see the page number where you can find coverage information. Turn to the page listed in the index and find the name of your drug in the first column of the list.

## **What are generic drugs?**

Our plan covers both brand-name drugs and generic drugs. A generic drug is approved by the FDA as having the same active ingredient as the brand-name drug. Generally, generic drugs cost less than brand-name drugs. Cost sharing for preferred generic drugs may be different than for generic drugs. Please see

your **Evidence of Coverage** for more information.

## What are brand-name drugs?

Brand-name drugs are manufactured and sold by the pharmaceutical company that originally researched and developed the drug. When the patent on a brand-name drug expires, other pharmaceutical companies may manufacture and sell an FDA-approved generic version of the drug with the same active ingredient(s) at lower prices. Cost sharing for preferred brand-name drugs may be different than for nonpreferred brand-name drugs. Please see your **Evidence of Coverage** for more information.

## What are specialty-tier drugs?

Specialty-tier drugs are very high-cost drugs approved by the FDA that are on our formulary.

## What are injectable Part D vaccines?

Part D vaccines are certain injectable vaccines that are covered under Medicare Part D (for example, Zostavax for shingles, Adacel for Diphtheria, Tetanus, and Pertussis, which are approved by the FDA).

## Are there any restrictions on my coverage?

Some covered drugs may have additional requirements or limits on coverage. These requirements and limits may include:

- **Prior Authorization:** Our plan may require you or your network provider to get prior authorization for certain drugs. This means that you will need

to get approval from our plan before you fill your prescriptions. If you don't get approval, we may not cover the drug.

**Note:** If your prescription has more than one refill remaining, you can only get one refill at a time, unless authorized because you will be away from our service area for an extended period of time.

For certain drugs, we may limit the amount of an extended day supply (amounts that exceed a 30-day supply) that you can receive. Also, if there is a shortage in the marketplace, we may fill your prescription for a limited quantity.

You can find out if your drug has any additional requirements or limits by looking on the formulary that begins on page 6. You can also get more information about the restrictions applied to specific covered drugs by visiting our website. We have posted online a document that explains our prior authorization restriction. You may also ask us to send you a copy. Contact information for your Kaiser Permanente Region, along with the date we last updated the formulary, appears on the front and back cover pages.

You can ask us to make an exception to these restrictions or limits or for a list of other, similar drugs that may treat your health condition. See the section, "How do I request an exception to the Kaiser Permanente formulary?" for information about how to request an exception.

## **What if my drug is not on the formulary?**

If your drug is not included on this formulary (list of covered drugs), you should first check our **Kaiser Permanente 2020 Comprehensive Formulary** at [kp.org/seniorrx](http://kp.org/seniorrx) or call our plan at the number listed on the front and back cover pages for your Kaiser Permanente Region and confirm if your drug is covered.

If your Medicare Part D prescription drug is not on our **Kaiser Permanente 2020 Comprehensive Formulary**, you have two options:

- You can ask your network provider to prescribe a similar drug that is included on our formulary.
- You can ask us to make an exception and cover your drug. See the next section for information about how to request an exception.

## **How do I request an exception to the Kaiser Permanente Formulary?**

You can ask us to make an exception to our coverage rules. There are several types of exceptions that you can ask us to make.

- You can ask us to cover a drug even if it is not on our **Kaiser Permanente 2020 Comprehensive Formulary**. If approved, this drug will be covered at a pre-determined cost-sharing level, and you would not be able to ask us to provide the drug at a lower cost-sharing level.

- In accord with our tiering exception process, you can ask us to cover a Part D formulary drug at a lower cost-sharing level. If approved this would lower the amount you must pay for your drug. **Note:** Specialty tier (Tier 5) drugs are not eligible for a tier exception.
- You can ask us to waive coverage restrictions or limits on your drug. For example, if your drug requires prior authorization, you can ask us to waive the prior authorization requirement for your Part D drug.

Generally, we will only approve your request for an exception if the alternative drugs included on the plan's formulary, the lower cost-sharing drug or additional utilization restrictions would not be as effective in treating your condition or would cause you to have adverse medical effects.

You should contact us to ask us for an initial coverage decision for a formulary, tiering or utilization restriction exception. **When you request a formulary, tiering or utilization restriction exception you should submit a statement from your network provider supporting your request.** Generally, we must make our decision within 72 hours of getting your prescriber's supporting statement. You can request an expedited (fast) exception if you or your network provider believe that your health could be seriously harmed by waiting up to 72 hours for a decision. If your request to expedite is granted, we must give you a decision no later than 24 hours after we get a supporting statement from your doctor or other prescriber.

**Please note:** You can only request an exception for drugs that are considered

Medicare Part D prescription drugs by the Centers for Medicare & Medicaid Services (CMS). You cannot get an exception for drugs that are excluded under Medicare Part D. Please refer to your **Evidence of Coverage** for more information about requesting exceptions, including the appeals process.

## **What do I do before I can talk to my network provider about changing my drugs or requesting an exception?**

In some cases, you might be taking Medicare Part D drugs that are not on our formulary. Or, you may be taking a drug that is on our formulary but your ability to get it is limited. For example, you may need a prior authorization from us before you can fill your prescription. You should talk to your network provider to decide if you should switch to an appropriate drug that we cover or request a formulary exception so that we will cover the drug you take. While you talk to your network provider to determine the right course of action for you, we may cover your drug in certain cases during the first 90 days you are a member of our plan.

For each of your Part D drugs that is not on our formulary or if your ability to get your drugs is limited, we will cover a temporary 30-day supply. If your prescription is written for fewer days, we'll allow refills to provide up to a maximum of a 30-day supply of medication. After your first 30-day supply, we may cover an additional refill, as medically necessary. After you have used these refills, we will not pay for these drugs, even if you have been a member of the plan less than 90 days.

If you are a resident of a long-term care facility and you need a drug that is not on our

formulary or if your ability to get your drugs is limited, but you are past the first 90 days of membership in our plan, we will cover a 31-day emergency supply of that drug while you pursue a formulary exception.

**For current members with level of care changes,** if you enter into or are discharged from a hospital, skilled nursing facility, or long-term care facility to a different care setting or home, this is what is known as a level of care change. When your level of care changes, you may require an additional fill of your medication. We will generally cover up to a one-month supply of your Part D drugs during this level of care transition period even if the drug is not on our Drug List.

## **For more information**

For more detailed information about your Kaiser Permanente prescription drug coverage, please review your **Evidence of Coverage** and other plan materials.

If you have questions about our plan, please call us. Contact information for your Kaiser Permanente Region, along with the date we last updated the formulary, appears on the front and back cover pages.

If you have general questions about Medicare prescription drug coverage, please call Medicare at **1-800-MEDICARE (1-800-633-4227)** 24 hours a day/7 days a week. TTY users should call **1-877-486-2048**. Or, visit <http://www.medicare.gov>.

## Kaiser Permanente's Formulary

The formulary below provides coverage information about the drugs covered by our plan. If you have trouble finding your drug in the list, turn to the index that begins on page 63.

The first column of the chart lists the drug name. Brand-name drugs are capitalized (e.g., ALBENZA) and generic drugs are listed in lower-case italics (e.g., *amoxicillin*).

The second column, "Drug Tier," will indicate what tier number the drug is in:

**Tier 1** – Preferred generic drugs

**Tier 2** – Generic drugs (the tier includes some brand-name drugs)

**Tier 3** – Preferred brand-name drugs

**Tier 4** – Nonpreferred brand-name drugs (the tier includes some generic drugs)

**Tier 5** – Specialty-tier drugs (the tier includes both generic and brand-name drugs)

**Tier 6** – Injectable Part D vaccines (the tier includes brand-name drugs only)

Generally, the cost sharing you will pay for your drugs depends on your coverage stage, the type of network pharmacy where you purchase your drugs, and your drug's cost-sharing tier on our formulary. Please refer to your **Evidence of Coverage** for the details about your Medicare Part D prescription drug coverage, including your cost-sharing amounts.

**Note:** If your coverage is through an employer-sponsored group plan (including a union or trust fund), you may have different drug benefits and cost sharing, and you may have coverage for other drugs that are not covered by Medicare Part D (non-Part D drugs). The amount you pay for non-Part D drugs does not count toward your total out-of-pocket expenditures, and if you are receiving Extra Help to pay for your Medicare Part D prescription drugs, you will not receive any Extra Help to pay for non-Part D drugs. Please check with your group benefits administrator or see your **Evidence of Coverage**.

The information in the Requirements/Limits column tells you if our plan has any special requirements for coverage of your drug. Certain strengths or forms of the drug may be subject to the utilization management codes listed below.

**HI** = Home infusion drugs may be covered under our medical benefit and obtained at home infusion pharmacies. For more information, please consult your pharmacy directory or call our plan at the number listed on the front and back cover pages for your Kaiser Permanente Region.

**LD** = Limited-distribution drugs can only be obtained at certain specialty pharmacies. For more information, consult your pharmacy directory or call our plan at the number listed on the front and back cover pages for your Kaiser Permanente Region.

**MO** = Mail-order drugs. You may order prescription refills of certain medications through our mail-order service online at [kp.org/refill](http://kp.org/refill) or by phone or mobile app, which may lower your costs for a three-month supply. Please contact us at least 5 days before your refills run out. Generally, you should receive them within 5 days. If not, please contact the mail-order phone number for your Kaiser Permanente Region in the chart below or the phone number on the prescription label for assistance. Not all drugs can be mailed; restrictions and limitations apply. For more information, please visit [kp.org/seniorrx](http://kp.org/seniorrx) or call the appropriate regional phone number below.

**NDS** = Non-extended Day Supply drugs that are dispensed up to a 30-day supply to monitor for possible adverse effects and to avoid medication waste.

**PA** = Prior authorization medications may be covered under Medicare Part D or Medicare Part B depending on how they are administered (e.g., via infusion pump, nebulizer, or other Durable Medical Equipment device), where they are administered (at home or in a long-term care facility), and what medical condition they are administered for. Prior authorization may also apply to drugs for which treatment for the medical condition will determine if the drug is non-Part D (excluded) or covered.

| Drug Name  | Drug Tier | Requirements /Limits |

You can find information on what the abbreviations on this table mean by going to the beginning or the end of this table.

The information in the Requirements/Limits column tells you if our plan has any special requirements for coverage of your drug. Certain strengths or forms of the drug may be subject to the utilization management codes listed below.

**HI** = Home infusion drugs may be covered under our medical benefit and obtained at home infusion pharmacies. For more information, please consult your pharmacy directory or call our plan at the number listed on the front and back cover pages for your Kaiser Permanente Region.

**LD** = Limited-distribution drugs can only be obtained at certain specialty pharmacies. For more information, consult your pharmacy directory or call our plan at the number listed on the front and back cover pages for your Kaiser Permanente Region.

**MO** = Mail-order drugs. You may order prescription refills of certain medications through our mail-order service online at [kp.org/refill](http://kp.org/refill) or by phone or mobile app, which may lower your costs for a three-month supply. Please contact us at least 5 days before your refills run out. Generally, you should receive them within 5 days. If not and you

need an urgent refill, please contact the mail-order phone number for your Kaiser Permanente Region in the chart on page 7 or the phone number on the prescription label for assistance. Not all drugs can be mailed; restrictions and limitations apply. For more information, please visit [kp.org/seniorrx](http://kp.org/seniorrx) or call the appropriate regional phone number on page 7.

**NDS** = Non-extended Day Supply drugs that are dispensed up to a 30-day supply to monitor for possible adverse effects and to avoid medication waste.

**PA** = Prior authorization medications may be covered under Medicare Part D or Medicare Part B depending on how they are administered (e.g., via infusion pump, nebulizer, or other Durable Medical Equipment device), where they are administered (at home or in a long-term care facility), and what medical condition they are administered for. Prior authorization may also apply to drugs for which treatment for the medical condition will determine if the drug is non-Part D (excluded) or covered.

# Notice of nondiscrimination

Kaiser Permanente complies with applicable federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex. Kaiser Permanente does not exclude people or treat them differently because of race, color, national origin, age, disability, or sex. We also:

- Provide no cost aids and services to people with disabilities to communicate effectively with us, such as:
  - ◆ Qualified sign language interpreters.
  - ◆ Written information in other formats, such as large print, audio, and accessible electronic formats.
- Provide no cost language services to people whose primary language is not English, such as:
  - ◆ Qualified interpreters.
  - ◆ Information written in other languages.

If you need these services, call Member Services at **1-800-443-0815 (TTY 711)**, 8 a.m. to 8 p.m., seven days a week.

If you believe that Kaiser Permanente has failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability, or sex, you can file a grievance with our Civil Rights Coordinator by writing to One Kaiser Plaza, 12th Floor, Suite 1223, Oakland, CA 94612 or calling Member Services at the number listed above. You can file a grievance by mail or phone. If you need help filing a grievance, our Civil Rights Coordinator is available to help you. You can also file a civil rights complaint with the U.S. Department of Health and Human Services, Office for Civil Rights electronically through the Office for Civil Rights Complaint Portal, available at <https://ocrportal.hhs.gov/ocr/portal/lobby.jsf>, or by mail or phone at: U.S. Department of Health and Human Services, 200 Independence Avenue SW., Room 509F, HHH Building, Washington, DC 20201, **1-800-368-1019, 800-537-7697 (TDD)**. Complaint forms are available at <http://www.hhs.gov/ocr/office/file/index.html>.

# Notice of nondiscrimination

Kaiser Permanente complies with applicable federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex. Kaiser Permanente does not exclude people or treat them differently because of race, color, national origin, age, disability, or sex. We also:

- Provide no cost aids and services to people with disabilities to communicate effectively with us, such as:
  - ◆ Qualified sign language interpreters.
  - ◆ Written information in other formats, such as large print, audio, and accessible electronic formats.
- Provide no cost language services to people whose primary language is not English, such as:
  - ◆ Qualified interpreters.
  - ◆ Information written in other languages.

If you need these services, call Member Services at **1-800-476-2167 (TTY 711)**, 8 a.m. to 8 p.m., seven days a week.

If you believe that Kaiser Permanente has failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability, or sex, you can file a grievance with our Civil Rights Coordinator by writing to 2500 South Havana, Aurora, CO 80014 or calling Member Services at the number listed above. You can file a grievance by mail or phone. If you need help filing a grievance, our Civil Rights Coordinator is available to help you. You can also file a civil rights complaint with the U.S. Department of Health and Human Services, Office for Civil Rights electronically through the Office for Civil Rights Complaint Portal, available at <https://ocrportal.hhs.gov/ocr/portal/lobby.jsf>, or by mail or phone at: U.S. Department of Health and Human Services, 200 Independence Avenue SW., Room 509F, HHH Building, Washington, DC 20201, **1-800-368-1019, 800-537-7697 (TDD)**. # Notice of nondiscrimination

Kaiser Permanente complies with applicable federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex.

Kaiser Permanente does not exclude people or treat them differently because of race, color, national origin, age, disability, or sex. We also:

- Provide no cost aids and services to people with disabilities to communicate effectively with us, such as:
  - ◆ Qualified sign language interpreters.
  - ◆ Written information in other formats, such as large print, audio, and accessible electronic formats.
- Provide no cost language services to people whose primary language is not English, such as:
  - ◆ Qualified interpreters.
  - ◆ Information written in other languages.

If you need these services, call Member Services at **1-877-221-8221 (TTY 711)**, 8 a.m. to 8 p.m., seven days a week.

If you believe that Kaiser Permanente has failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability, or sex, you can file a grievance with our Civil Rights Coordinator by writing to 500 NE Multnomah St., Suite 100, Portland OR 97232 or calling Member Services at the number listed above.

You can file a grievance by mail or phone. If you need help filing a grievance, our Civil Rights Coordinator is available to help you. You can also file a civil rights complaint with the U.S. Department of Health and Human Services, Office for Civil Rights electronically through the Office for Civil Rights Complaint Portal, available at <https://ocrportal.hhs.gov/ocr/portal/lobby.jsf>, or by mail or phone at: U.S. Department of Health and Human Services, 200 Independence Avenue SW., Room 509F, HHH Building, Washington, DC 20201, **1-800-368-1019, 800-537-7697 (TDD)**. Complaint forms are available at <http://www.hhs.gov/ocr/office/file/index.html>.
