The premium contributions shown reflect the current rate and benefit structure. Premium contributions may be changed by New York Life Insurance Company on any premium due date (but not more than once in any 12-month period) and any date on which benefits are changed. However, your rates may change only if they are changed for all others in the same class of insurance under this group policy. For example, a class of insureds is a group of people all with the same issue age. Benefit option amounts are not guaranteed and are subject to change by agreement between New York Life Insurance Company and the Air Force Association.
