What is Whole Life Insurance?

Whole Life Insurance is an individual life insurance policy that pays a benefit to your beneficiary if you pass away. Your premium payments will stay the same for the life of the policy, as long as you meet the required premium payments. Plus, the policy builds cash value, which you can borrow against. Any unpaid loan would be subtracted from the benefit that is paid to your beneficiary.

Features of Premier Whole Life Insurance include:

- **Flexibility:** After the first policy year, the death benefit may be increased to meet your changing needs.
- **Payroll deduction:** Premiums are paid through convenient payroll deductions.
- **Keep your coverage:** Should you leave your current employer or retire, you can take your coverage with you.

How can life insurance help?

Below are a few examples of how your life insurance benefit could be used:

- Pay off any remaining medical bills, funeral costs and debts
- Provide ongoing financial support to your family
- Keep your family in your home by paying off the mortgage
- Fund your children's education

Who is eligible for life insurance?

- **You**— all active employees:
 - All Baystate and Baycare Employees working a minimum of 16 hours per week
 - BVNAH Employees working a minimum of 15 hours per week
- **Your spouse**— 15 through 70 years. Coverage is available as long as the employee is eligible to apply, even if the employee chooses not to do so. If both you and your spouse are employees, you may elect to be covered with an employee or a spouse policy, but not both. Each person can only be covered by one policy.
- **Your child(ren)**— 15 days through 24 years. Coverage is available as long as the employee is eligible to apply, even if the employee chooses not to do so. Coverage is available to children and dependent grandchildren. Each child/grandchild must be equally insured. If both you and your spouse are covered under the policy as an employee, then only one, but not both, may cover the same children under this benefit. If the parent who is covering the children stops being insured as an employee than the other parent may apply for children's coverage.

What amount of coverage am I eligible for?

- **For you**— If you are under age 50, you may elect up to \$125,000; age 51 through age 65 you may elect up to \$50,000; age 66 through age 70 you may elect up to \$25,000, no health questions required.

Meet the Duponts

Miles and Betsy Dupont spent the first 30 years of their lives together building their careers, raising two boys and participating in several community organizations. Throughout it all, they looked forward to the time when they'd retire and spend their golden years traveling the country. The year before they were both set to retire, Betsy was diagnosed with an aggressive and terminal cancer. Fortunately for the Duponts, Miles had purchased Premier Whole Life Insurance coverage years ago. After Betsy passed, Miles was able to use the life insurance benefit to cover Betsy's funeral expenses and pay off the remaining mortgage. This allowed him to buy the RV they'd always dreamed of. There was even enough left over to help pay for his first few months of travel, something that he knew Betsy would have wanted him to do.

Benefits paid by the Duponts' life insurance benefit:

\$35,000	Total Life Insurance Benefit
-\$8,000	Funeral Costs
-\$24,000	Remaining Mortgage
\$3,000	Put towards his first few months of traveling

The amounts shown are only examples. Actual costs/results may vary. Benefit amount assumes a \$35,000 life insurance policy.
